Maddux,2004-07-27 *Priesthood and Leadership Education* , **The Mormon Church and Blacks** Matthew L Harris,Newell G. Bringhurst,2015-11-15 The year 1978 marked a watershed year in the history of The Church of Jesus Christ of Latter day Saints as it lifted a 126 year ban on ordaining black males for the priesthood This departure from past practice focused new attention on Brigham Young s decision to abandon Joseph Smith s more inclusive original teachings The Mormon Church and Blacks presents thirty official or authoritative Church statements on the status of African Americans in the Mormon Church Matthew L Harris and Newell G Bringhurst comment on the individual documents analyzing how they reflected uniquely Mormon characteristics and contextualizing each within the larger scope of the history of race and religion in the United States Their analyses consider how lifting the ban shifted the status of African Americans within Mormonism including the fact that African Americans once denied access to certain temple rituals considered essential for Mormon salvation could finally be considered full fledged Latter day Saints in both this world and the next Throughout Harris and Bringhurst offer an informed view of behind the scenes Church politicking before and after the ban The result is an essential resource for experts and laymen alike on a much misunderstood aspect of Mormon history and belief Another Jesus, a Different Spirit, a Different Gospel Steven H. Propp,2011-12-13 Its the Christmas seasonthe most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persistand are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshalltwo Latter day Saint Mormon missionariesthe season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as

well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book *Leaving Mormonism* Corey Miller, Lynn K. Wilder, 2017-11-28 The growing popular perception today is that the Mormon church as just another denomination within Christianity and representatives of the LDS church often encourage this perspective Despite points of agreement major differences exist on foundational theological matters for example the Trinity as well as social and moral issues such as racial equality As former Mormons turned evangelical Christians each of whom is an accomplished scholar the four contributors to this volume provide a unique and authoritative corrective Each contributor shares his or her story of growing up in the Mormon church and how biblical theological moral or scientific issues forced them to eventually leave Mormonism The contributors draw on the expertise of their respective academic fields to show how Mormon teachings and practice fall short biblically and rationally They also address common objections raised by former Mormons who have lost faith altogether and have embraced atheism or agnosticism especially under the influence of new atheists like Richard Dawkins and Christopher Hitchens *Interpreter: A Journal of Mormon Scripture, Volume 21 (2016)* Daniel C.
