Muslim Moroccan Migrants in Europe M. Ennaji, 2014-11-19 Based on the author's fieldwork and readings of media government reports and historical and contemporary records this book explores how Muslim migrants in Europe contribute to a changing European landscape focusing on Muslim Moroccan migrants **Problems of Democratisation in Indonesia** Edward Aspinall, Marcus Mietzner, 2010 Alternately lauded as a democratic success story and decried as a flawed democracy Indonesia deserves serious consideration by anyone concerned with the global state of democracy Yet more than ten years after the collapse of

the authoritarian Suharto regime we still know little about how the key institutions of Indonesian democracy actually function This book written by leading democracy experts and scholars of Indonesia presents a sorely needed study of the inner workings of Indonesia s political system and its interactions with society Combining careful case studies with an eye to the big picture it is an indispensable guide to democratic Indonesia its achievements shortcomings and continuing challenges

Handbook of Human and Social Conditions in Assessment Gavin T. L. Brown,Lois R. Harris,2016-06-23 The Handbook of Human and Social Conditions in Assessment is the first book to explore assessment issues and opportunities occurring due to the real world of human cultural historical and societal influences upon assessment practices policies and statistical modeling With chapters written by experts in the field this book engages with numerous forms of assessment from classroom level formative assessment practices to national accountability and international comparative testing practices all of which are significantly influenced by social and cultural conditions A unique and timely contribution to the field of Educational Psychology the Handbook of Human and Social Conditions in Assessment is written for researchers educators and policy makers interested in how social and human complexity affect assessment at all levels of learning Organized into four sections this volume examines assessment in relation to teachers students classroom conditions and cultural factors Each section is comprised of a series of chapters followed by a discussant chapter that synthesizes key ideas and offers directions for future research Taken together the chapters in this volume demonstrate that teachers test creators and policy makers must account for the human and social conditions that shape assessment if they are to implement successful assessment practices which accomplish their intended outcomes

Proceedings of the 2nd UPY International Conference on Education and Social Science (UPINCESS 2023) Ari Kusuma Wardana,2023-12-31 This is an open access book Technology has had a huge impact on education and social dynamics around the world Since the introduction of information and communication technologies ICTs such as the internet smartphones and social media much has changed in the way we learn and interact with others In education technology has enabled students and teachers to access more diverse and engaging educational resources With internet access students and teachers can access educational resources from all over the world and learn about various topics and disciplines In addition technology also enables distance learning which allows students and teachers to connect from different locations However there are also negative impacts of using technology in education For example excessive use of social media and the internet can cause concentration disorders and addiction in students In addition too much reliance on technology can also reduce students ability to think critically and solve problems independently In social dynamics technology has allowed us to connect with people from all over the world and paved the way for greater collaboration and cultural exchange However technology has also brought negative impacts on social dynamics such as the spread of fake news or hoaxes cyberbullying and social media addiction In this regard technology can be a very useful tool if used wisely and with proper understanding of its impact Therefore to support this Universitas PGRI Yogyakarta was hold an
