A Million Cars For A Billion People Gautam Sen, 27-02-15 Can one car transform a nation The Ford Model T did do so a century ago when it replaced the horse brought about a revolution in agriculture became a stimulus to urbanization that eventually changed the landscape of America Though the Maruti 800 the Tata Indica the Hyundai Santro and the Maruti Alto became engines of growth for India these cars neither drove away the cow nor changed the way Indians travelled Tata's Nano was expected to change all that and become the ultimate people's car capturing the imagination of the middle class across nations and cultures In spite of its petite dimensions the Nano was meant to stand tall Yet it did not What caused it to fail and

fall from grace despite being lauded as the right product at the right time and the most significant new car since the Ford Model T was introduced 100 years ago But is it really all over or is there still hope for India's little wonder What will the people's cars of tomorrow be like A Million Cars for a Billion People delves into the questions concerns and doubts as well as the many misconceptions and myths that have gathered momentum over the years about India's automotive history and the industry's mission to create a true people's car The very first cars that came to India the early beginnings of the industry the nascent history of the automobile across nations like Germany France US the UK Italy Japan and South Korea is narrated with authority and charm from the viewpoint of the quest for the ultimate people's car

STRATEGIC REENGINEERING WITH INNOVATION FOR SOCIAL WELFARE Dr. Nazima Afzal Nzaad, 2021-06-29 An Introductory Analysis of Strategic Re engineering Hindustan Unilever Limited has launched the very popular brands like Rexona Lux RIN long back in the markets for which the customers have greater satisfaction and loyalty these brands became influential catalytic reagents for speed up of market reactions Whereas other dominant competitors of the market like Godrejs Cinthol Godrej No 1 Yardley Rose Jasmine and Lavender which tries to overtake the race of competition like wise apart from Godrej and Hindustan Unilever many other brands also have greater impact on competitive phenomena The Market situation is of monopolistic competition permitted free entry of competitors from perspectives of domestic as well as international brands the theatre of competition which allows competitive brand actors to access on the place is none other than the MARKET

A Shot At History Rohit Brijnath, 2011-10-11 Abhinav Bindra once shot 100 out of 100 in practice six times in a row and walked out of the range unhappy He is a perfectionist who once soled his shoes with rubber from Ferrari tyres because he thought it would help He would wake up at 3 am to practise at his range at home if an idea suddenly struck him It is from such obsession that greatness arrives Abhinav Bindra's journey to become the first Indian to win an individual Olympic gold and the first Indian to win a World Championship gold is a story of single minded passion The Olympics has been an all consuming journey for him ever since he was shattering beer bottles and glass ampoules in his garden in Chandigarh No obstacle was too hard to overcome no amount of practice too much no experiment too futile and no defeat so severe that it made a comeback impossible Shattered by his failure at the 2004 Athens Olympics when a gold medal seemed imminent he changed as a shooter from a boy who loved shooting he became an athlete bent on redemption a scientist who would try anything from mapping his own brain to drinking yak milk to climbing rock walls to win at the Beijing Olympics in 2008 His victory was not just a personal triumph it was a gift to his nation a breaking down of a sporting barrier that had stood for a century Bindra's feat has taught his peers and those yet to come that an Olympic gold isn't an impossible dream In ranges on fields in arenas Indian athletes now own a new belief they wear the knowledge that no challenge is beyond them Helping to tell this remarkable story is sportswriter Rohit Brijnath who collaborated with Bindra in producing this compelling autobiography of one of India's greatest sportsmen

PRODUCT MANAGEMENT KAUSHIK MUKERJEE, 2009-03-04 In today's competitive milieu the product promotion function along with continuous product innovation and speed of execution is very important as a critical parameter for a company's success. Product Management involves designing customized products to fit the exact needs of individual customers. This comprehensive book focuses on the critical issues of product management that enable better product performance in the marketplace. It deals with many new products that straddle across Indian and global markets to give a broad and clear perspective of the current competitive marketing scenario. The text covers such topics as competitive product development and product life cycle strategies, innovation, branding, pricing, segmentation, targeting, positioning, CRM, modern product management tools, and various other issues.

Key Features: Provides a clear understanding of managing the product category and product life cycle. Focuses on the present Indian marketing scenario. Illustrations and websites are provided to acquaint the readers with the latest product information. Gives 20 Case Studies that cover all the critical aspects of product management. Provides Assignments at the end of each chapter to lend a practical touch to the subject. Intended primarily as a text for the postgraduate students of Management, the book will also prove to be a useful learning tool for the students of Marketing and Commerce. Besides the strategies discussed in the book, can be good takeaways for practising managers and for those interested in learning about Product Management.
