

A woman with dark hair is working at a blue-topped workstation. She is holding a green printed circuit board (PCB) with both hands, examining it closely. A large, black, ring-shaped magnifying lamp is positioned above her work area, casting light on the board. To her right, a white and black binocular microscope is visible. In the background, there are various electronic components and tools on the workbench, including a screwdriver and a small container. The overall scene depicts a manual visual inspection process in a laboratory or manufacturing setting.
