

7. Select the light device and follow the instructions on the page to complete the setup

8. Follow the same steps to complete the fan device setup

9. Two devices will appear on the main page

The setup is complete and you can use your voice to control the devices, for example: 'Hey Google, turn on + <light device name>' and light will turn on

**NOTE:**  
Please enter the Fan and Light Control Page separately and set distinct device names for the fan and light functions. Doing so will prevent Google Home from misunderstanding voice commands

10. Open the light device control page and tap  to rename your light device

11. Rename the fan device in the same way
