Use this manual to physically install the communications module into the unit and connect the unit to your network. You also need the appropriate MoQuay Engineering Data Sheet known as the Protocol Data Packet to integrate the unit into your network. The Protocol Data Packet contains addressing details, BACnet® and LonWorks® protocol information, and a list of the data points available to the network. See the Reference Documents section of this document for part numbers of Protocol Data Packets. These documents are available from your local MoQuay International representative and for downloading at the MoQuay International web site.
