**TITLE: *Documentation Requirements for the Medical Record*****I. Purpose/Expected Outcome:**

- A. To ensure the documentation in the medical record meets generally accepted professional standards of documentation, specifically mandated regulatory, legal and/or accrediting standards and supports the documentation guidelines identified in the Medical Staff Rules and Regulations.
- B. The purposes of the Medical Record are:
  1. To serve as a detailed data base for planning patient care by all involved practitioners, nurses and ancillary personnel.
  2. To document the patient's medical evaluation, treatment and change in condition during the hospital stay or during an ambulatory care or emergency visit.
  3. To allow a determination as to what the patient's condition was at a specific time.
  4. To permit review of the diagnostic and therapeutic procedures performed and the patient's response to treatment.
  5. To assist in protecting the legal interest of the patient, hospital and practitioner responsible for the patient and to provide data for use in the areas of quality and resource management, billing, education, and research.
- C. Charts will be completed according to Medical Staff Bylaws, Rules and Regulations. Records will be classified as delinquent if not completed in their entirety within seven (7) days after the patient's discharge. The attending practitioner shall be responsible for the preparation of a complete and legible medical record for each patient.

**II. Definitions:**

- A. Authentication: The term "Authentication" means to establish authorship by written or electronic signature and shall consist of the practitioner's name and professional title indicating the professional credential.
- B. HIMS – Health Information Management Services
- C. EMR – Electronic Medical Record
- D. Physician/Practitioner: For the purposes of this policy, physician/practitioner includes physicians, dentists, podiatrists, advanced practice nurses, physician assistants, and other credentialed practitioners to give orders, provide consultations and/or perform surgical procedures.
- E. Supervisory Practitioner – The supervisory practitioner is defined as a staff physician at Banner Churchill Community Hospital, as appropriate, who has oversight responsibility for all aspects of patient care rendered by students and residents.
