Medical Language Immerse Yourself:

Medical Language Susan M. Turley, 2007 Finally a medical terminology text that truly immerses readers within the language of medicine so that students can apply their vocabulary within a real world context As opposed to fostering rote memorization this book engages students in an interactive learning experience that will give them a vital tool and inspire them to become true consumers of medical language The goal is to connect with readers to engage their visual auditory and kinesthetic senses to stimulate them and fuel their complete understanding of the topic As students engage in this multi sensory experience within these pages they should remember that we are not encouraging them to merely discover learn know or even understand the information Instead we want readers to live it We want them to dig in dive in and become immersed
