Medunsa Second Semester Programmes 2015:

SADC Gender Protocol 2015 Barometer Lowe Morna, Sifiso Dube, 2015-12-20 In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance The SADC Gender Protocol is the only sub regional instrument that brings together existing global and continental commitments to gender equality and enhances these through time bound targets Aligned to Millennium Development Goal Three the original 28 targets of the Protocol targets expire in 2015 Now that 2015 is here we need to step back assess and reposition In June 2014 SADC Gender Ministers agreed to review the targets of the Gender Protocol in line with the Sustainable Development Goals SDGs In May this year ministers added that they want the Protocol to be accompanied by a Monitoring Evaluation and Results Framework The 2015 Barometer shows that implementation is now the biggest missing gap in the quest for gender equality Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 SADC GENDER PROTOCOL BAROMETER 2015 2015 is here In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance The SADC Gender Protocol is the only sub regional instrument that brings together existing global and continental commitments to gender equality and enhances these through time bound targets Aligned to Millennium Development Goal Three the original 28 targets of the Protocol targets expire in 2015 Now that 2015 is here we need to step back assess and reposition In June 2014 SADC Gender Ministers agreed to review the targets of the Gender Protocol in line with the Sustainable Development Goals SDGs In May this year ministers added that they want the Protocol to be accompanied by a Monitoring Evaluation and Results Framework The 2015 Barometer shows that implementation is now the biggest missing gap in the quest for gender equality Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 **Annual Report ...** South Africa. Department of Higher Education and Training, 2016 Campus Student Activism, Politics, and Citizenship in the 21st Century Tshishonga, Ndwakhulu, 2025-04-03 Student activism and citizenship remain an integral part of the governance of academic institutions democratizing the learning environment and advancing democratic values and societal change As a result student activism has become a key aspect of the global higher education landscape Individually and through the student councils students have been at the forefront fighting for social justice and equality inside their academic institutions and in larger society by fusing activism with citizenship Through student activism and citizenship students demonstrate their power to keep governments responsible and in redirecting the voices of students in higher education s decision making processes Further exploration may afford students the opportunity to influence social change by partaking in educational policy reforms and broadening global sociopolitical and economic growth Campus Student Activism Politics and Citizenship in the 21st Century

examines the dynamics of campus politics through student activism and citizenship perspectives academia public private and civil society sectors It explores how student leadership engages university society stakeholders including management and governance structures and student welfare and institutional policy reformation in defense of the rights and interests of students This book covers topics such as higher education political engagement and social justice and is a useful resource for policymakers government officials sociologists political scientists academicians and researchers

Milestones in Green Transition and Climate Compatible Development in Eastern and Southern Africa Mukuna, Truphena E., Shisanya, Christopher A., 2016-07-25 It is widely recognised that climate change poses significant serious threats to sustained economic growth and agricultural development poverty reduction food security and political stability globally Nowhere are these challenges more marked than in Africa where two thirds of all available land is classified either as desert or dry land in relation to which the Intergovernmental Panel on Climate Change IPCC 2013 has classified the continent as the most vulnerable to climate change variability This anthology is a product of a call from OSSREA to collate evidence based researches in a book in a bid to assess how far countries in eastern and southern Africa are implementing the UNFCCC Rio 20 Agenda 21 and other global and Africa wide decisions concerning the need to address climate change This will contribute to post 2015 development agenda for sustainable development goals SDGs in which climate change and disaster risk reduction will be priority areas of focus The book will serve as a valuable tool for experts advisers and policymakers in pursuing effective green growth policies and practices and achieving climate compatible development and in doing so inspire readers to choose a more sustainable pathway for humanity It will also help in looking at climate change as both a challenge and opportunity for development Further this book aims at stimulating more research in climate compatible development and climate financing which have put most countries at crossroads
