Meet Me English Edition:

Vengeance (English Version) M.L. Lego, 2015-12-09T00:00:00-05:00 The day his wife and two daughters succumbed under his eyes a financial Tycoon by the name of Yannick Simard toppled over the edge There is nothing he could have done to prevent their death After learning that Johnny Boy the biggest rock star of the era may be involuntary involved in the dreadful tragedy Yannick masterminded a hateful vengeance His endless wisdom and incalculable means were devoted to Johnny Boy s downfall To help him in his quest he implicated Tommy MacMillan a low class paparazzi who was Johnny Boy s worst enemy This suspenseful thriller will bring the readers through a world of unexpected outcomes Vengeance deceit and treachery interweave with glory money and friendship About the author From being a successful performer a radio personality a graphic artist and video producer M L Lego became a prolific author Her past experiences are reflected in the content of her creations Living in Montreal Canada this maestro of suspenseful drama proudly published her fifth challenging thriller

Virgil, with an English Translation Virgil, 1916 **A New English Translation of the Septuagint** Albert Pietersma, Benjamin G. Wright, 2007-11-02 Translated from Hebrew and Aramaic originals in the two centuries before Jesus the Septuagint provides important information about the history of the text of the Bible For centuries scholars have looked to the Septuagint for information about the nature of the text and of how passages and specific words were understood For students of the Bible the New Testament in particular the study of the Septuagint s influence is a vital part of the history of interpretation But until now the Septuagint has not been available to English readers in a modern and accurate translation The New English Translation of the Septuagint fills this gap *Modern English Translation of the Septuagint* L.C.L. Brenton & Michael Paul Johnson, *German Song Onstage* Natasha Loges, Laura Tunbridge, 2020-05-05 A singer in an evening dress a grand piano A modest sized audience mostly well dressed and silver haired equipped with translation booklets A program consisting entirely of songs by one or two composers This is the way of the Lieder recital these days While it might seem that this style of performance is a long standing tradition German Song Onstage demonstrates that it is not For much of the 19th century the songs of Beethoven Schubert Schumann and Brahms were heard in the home salon and no less significantly on the concert platform alongside orchestral and choral works A dedicated program was rare a dedicated audience even more so The Lied was a genre with both more private and more public associations than is commonly recalled The contributors to this volume explore a broad range of venues singers and audiences in distinct places and time periods including the United States the United Kingdom Russia and Germany from the mid 19th century through the early 20th century These historical case studies are set alongside reflections from a selection of today s leading musicians offering insights on current Lied practices that will inform future generations of performers scholars and connoisseurs Together these case studies unsettle narrow and elitist assumptions about what it meant and still means to present German song onstage by providing a transnational picture of historical Lieder performance and opening up discussions about the relationship between history and
