Millennia ago planet Helios held a grand technological civilization But the Cataclysm tore the land apart and the survivors were forced to flee to the Six Stations the artificial planetoids that orbited Helios It did not take long for their society to devolve into a virtual medieval world with barely enough technology to survive the harshness of life in space Out of this culture arose a line of monarchs called the Reign of Four Alexis Teirmont was the First He was a visionary a warrior and a tyrant who was not immune to egotism cruelty and revenge He would change the very fabric of the System His reign would be remembered throughout history for both the good and the bad **Reign of Four II** Jake Bible,2015-08-04 As a conqueror s son takes command peace is far from certain in this space opera series hearkeining back to Martin s Game of Thrones Richark A Knaak New York Times Bestselling Author of the World of Warcraft series Alexis Teirmont was a visionary and merciless leader who unified the people struggled to survive on one of six artificial planetoids known as the Stations But now his son Alexis the Second must reign as Master of Station Aleon And Alexis is not his father An unapologetic hedonist from the wild lands of the Prime Alexis revels in the finer pleasures of life Once such a temperament would be a sign of nobility But for a Master of Station it is near suicide Now Alexis must convince the passengers of Station Aelon that he is fit to rule With the fate of their precarious civilization in his hands failing to convince could be deadly **Reign of Four IV**

Jake Bible,2015-10-06 The 4th ruler in a fearsome line of succession pursues an interplanetary empire in the final volume of this thrilling science fiction saga As the new Master of Station Aleon and its Prime Alexis Teirmont the Fourth inherits the mantle of a fearsome dynasty The son of a legendary mother he intends to rule by the blade and expand his empire across System Helios He is determined to destroy all that stands in the way of his claim to a second crown The first master to ever attempt ruling two stations and primes Alexis sets into motion an avalanche of events From the orbit of the stations around Helios to the gas covered lands of the planet He is about to leave a bloody mark on history that will not soon be forgotten
