Read the texts in the boxes and number them from 1 to 8 to sequence the fairy tale

There lived a giant and his wife. Jack wanted some food from his wife and she gave him some milk and bread. While he was eating, the giant came home. Jack was terrified. He hid himself inside. Then he saw the giant take out sacks of gold.

When the giant fell asleep, Jack took the magical harp and he was about to leave. Suddenly, the magic harp began shouting and woke his master up. The giant saw Jack with the harp and ran after him. Fortunately, Jack was too fast for him.

Jack and his mother were very poor. She told Jack to take their only cow to the market and sell it. On the way to the market he met a man. He wanted to buy the cow and offered to give Jack five magic beans for it. Jack took the beans and gave the cow to the man.

While he was eating, the giant returned. Jack got scared and hid under the bed. The giant took out a hen that laid golden eggs. When the giant fell asleep, Jack took the hen and climbed down the beanstalk. Jack's mother was very happy with him.

After the giant had fallen asleep, Jack took the golden eggs and ran away. He was very happy because he had a lot of money. He went home and told his mother about the golden eggs. His mother was very happy and they lived happily ever after.

When the giant saw Jack, he was very angry. He ran after Jack and tried to catch him. But Jack was too fast and he ran away. The giant was very sad because he had lost his golden eggs. He went back to his wife and told her about what had happened. They were both very sad.

Jack and his mother were very poor. She told Jack to take their only cow to the market and sell it. On the way to the market he met a man. He wanted to buy the cow and offered to give Jack five magic beans for it. Jack took the beans and gave the cow to the man.
