

Julius Caesar Act IV Study Guide KEY

Act IV.I

1. Who are the members of the second triumvirate?

Antony, Octavius, and Lepidus have created the new triumvirate.

2. What is the conflict between Antony and Octavius?

They have different opinions of Lepidus. Octavius thinks more highly of him than Antony does. Antony does not think Lepidus should have an equal share of power.

Act IV.II

3. What is Brutus' current attitude toward Cassius?

Brutus questions Cassius' commitment and is cautious about meeting him. He's starting to doubt him as a person and a friend.

4. What does Brutus accuse Cassius of?

Brutus accuses Cassius of killing Caesar because his officials were taking bribes and then of taking bribes himself (being a hypocrite and lying to him about his true intentions).

5. What is the second thing Brutus accuses Cassius of?

Brutus accuses Cassius of not providing the necessary funds for his army.

6. How has the relationship between Brutus and Cassius changed? Why does Brutus want to speak to Cassius alone in his tent?

Brutus is cautious of Cassius. When he enters the scene, the soldiers make a quick formal acknowledgment, "Hail!" "Soand!" - it's almost as if they were an enemy arriving. He doesn't want the soldiers to see this discord, so he suggests meeting a little away from them.

7. What happens during the quarrel between Brutus and Cassius (how is it resolved)?

They blame their quarrel on their anger and reconfirm their friendship.

8. What happened to Portia?
