

James Buchanan | Lesson Plan

How did James Buchanan's presidency impact the United States before the Civil War?

Students will understand the key events and decisions of James Buchanan's presidency and how they contributed to the increasing tensions that led to the Civil War. They will also understand Buchanan's role as a leader during one of the most critical and divisive times in American history.

Learning Objectives:

- Identify the key life events of James Buchanan.
- Explain how James Buchanan's policies and decisions contributed to the rising tensions between the North and South before the Civil War.
- Analyze the decisions and actions of James Buchanan during his presidency and evaluate their impact on the increasing tensions leading up to the Civil War.
- Evaluate James Buchanan's leadership skills and decisions, considering why many historians regard him as one of the least successful U.S. presidents.

Key Vocabulary:

- **Doughface:** A Northern politician who supported Southern pro-slavery policies.
- **Dred Scott v. Sandford:** A landmark Supreme Court case that ruled African-Americans were not entitled to U.S. citizenship rights.
- **Secede:** To leave an organization or government.
- **States' Rights:** The political powers held by individual U.S. states rather than by the federal government.
- **Abolitionist:** A person who wants to stop or abolish slavery.

Reaching, Teaching and Growing African-American Believers G. Lovelace Champion, George Champion Sr., 2004-11
Reaching Teaching and Growing African American Believers promotes Christian education in all churches particularly African American churches for adults youth and children Christian Education **Hollywood or History** Scott L. Roberts, Charles J. Elfer, 2018-07-01 Teaching and learning through Hollywood or commercial film productions is anything but a new approach and has been something of a mainstay in the classroom for nearly a century Purposeful and effective instruction through film however is not problem free and there are many challenges that accompany classroom applications of Hollywood motion pictures In response to the problems and possibilities associated with teaching through film we have collaboratively developed a collection of practical classroom ready lesson ideas that might bridge gaps between theory and practice and assist teachers endeavoring to make effective use of film in their classrooms We believe that film can serve as a powerful tool in the social studies classroom and where appropriately utilized foster critical thinking and civic mindedness The College Career and Civic Life C3 framework represents a renewed and formalized emphasis on the perennial social studies goals of deep thinking reading and writing We believe that as teachers endeavor to digest and implement the platform in schools and classrooms across the country the desire for access to structured strategies that lead to more active and rigorous investigation in the social studies classroom will grow increasingly acute Our hope is that this edited book might play a small role in the larger project of supporting practitioners specifically K 12 teachers of United States history by offering a collection of classroom ready tools based on the Hollywood or History strategy and designed to foster historical inquiry through the careful use of historically themed motion pictures The book consists of K 5 and 6 12 lesson plans addressing the following historical eras Adapted from UCLA National Center for History in Schools **Performed Culture in Chinese Language Education** Guangyan Chen, 2020-06-22 Performed Culture in Chinese Language Education A Culture Based Approach for U S Collegiate Contexts elaborates on a cultural awareness oriented cultural performance based and cross cultural communication focused foreign language pedagogical paradigm Performed Culture Approach in the context of U S collegiate Chinese language education Guangyan Chen draws on the data collected through questionnaires comparisons between this pedagogy and mainstream pedagogical frameworks and analyses of curricular development lesson plans and classroom discourses Chen promotes the performed culture approach by delineating the theoretical framework of this pedagogy reporting studies that empirically support cultural primacy in Chinese language education and illustrating this pedagogy through analyses of a curricular structure a lesson plan and classroom discourses Chen shows how this pedagogy addresses the gaps between the social need for global citizens and the insufficient integration of culture into foreign language education The performed culture approach also addresses the overall drop in U S collegiate foreign language enrollment as this pedagogy connects foreign language programs to university missions and social needs **Journey**
