Lady Katherine Knollys Sarah-Beth Watkins,2015-01-30 Katherine Knollys was Mary Boleyn s first child born in 1524 when Mary was having an affair with King Henry VIII Katherine spent her life unacknowledged as the king s daughter yet she was given prime appointments at court as maid of honour to both Anne of Cleves and Katherine Howard She married Francis Knollys when she was 16 and went on to become mother to many successful men and women at court including Lettice Knollys who created a scandal when she married Sir Robert Dudley the queen s favourite This fascinating book studies Katherine s life and times including her intriguing relationship with Elizabeth I

The Tragic Daughters of Charles I Sarah-Beth Watkins,2019-04-26 Mary Elizabeth and Henrietta Anne the daughters of King Charles I and his queen Henrietta Maria would be brought up against the background of the English Civil War Mary would marry William Prince of Orange and be sent to live in the Netherlands Elizabeth would remain in England under Parliamentary control Henrietta Anne would escape to France and be the darling of the French Court Yet none of the Stuart princesses would live to reach thirty The Tragic Daughters of Charles I is their story Chronos Books presents the latest in a series of historical royal biographies by Sarah Beth Watkins author of Lady Katherine Knollys The Unacknowledged Daughter of King Henry VIII

The Afterlife of King James IV Keith John Coleman,2019-04-26 The Afterlife of King James IV explores the survival stories following the Scottish king s defeat at the battle of Flodden in 1513 and how his image and legacy were used in the years that followed when he remained a shadow player in the politics of a shattered kingdom Keith John Coleman has written a legend based biography of James IV that straddles the gap between history and folklore that looks at the undying king motif and otherworld myths of James IV one of Scotland s most successful rulers

The Final Year of Anne Boleyn Natalie Grueninger,2022-12-02 Skilfully unravels the myths surrounding Anne Boleyn s downfall and presents the most compelling account of her final months to date A triumph Dr Owen Emmerson Historian and Assistant Curator Hever Castle There are few women in English history more controversial than Queen Anne Boleyn She was the second wife of Henry VIII mother of Elizabeth I and the first English queen to be publicly executed Reinvented by each new generation Anne is buried beneath centuries of labels homewrecker seductress opportunist witch romantic victim Protestant martyr feminist In this engaging account of the triumphant and harrowing final year of Queen Anne Boleyn s life author Natalie Grueninger reveals a very human portrait of a brilliant passionate and complex woman This telling period bore witness to one of the longest and most politically significant progresses of Henry VIII s reign improved relations between the royal couple and Anne s longed for pregnancy But the tide turned in late January 1536 when Anne received news that her husband had been thrown from his horse in his tiltyard at Greenwich Just days later as the body of Anne s predecessor Katherine of Aragon was being prepared for burial Anne miscarried her son The promise of a new beginning dashed the months that followed were a rollercoaster of anguish and hope marked by betrayal brutality and rumour What began with so much promise ended in silent dignity amid a

whirlwind of scandal on a scaffold at the Tower of London A must read for fans and students of Tudor history Sandra Vasoli author of *Anne Boleyn's Letter From the Tower A New Assessment* Genuinely ground breaking Gareth Russell Historian and author of *The Ship of Dreams* and *Young and Damned and Fair* **Young and Damned and Fair** Gareth Russell, 2017-04-04 England July 1540 it is one of the hottest summers on record and the court of Henry VIII is embroiled once again in political scandal Anne Cleves is out Thomas Cromwell is to be executed and in the countryside an aristocratic teenager named Catherine Howard prepares to become fifth wife to the increasingly unpredictable monarch In the five centuries since her death Catherine Howard has been dismissed as a wanton inconsequential or a naive victim of her ambitious family but the story of her rise and fall offers not only a terrifying and compelling story of an attractive vivacious young woman thrown onto the shores of history thanks to a king's infatuation but an intense portrait of Tudor monarchy in microcosm how royal favour was won granted exercised displayed celebrated and at last betrayed and lost The story of Catherine Howard is both a very dark fairy tale and a gripping political scandal **Elizabeth I's Last Favourite** Sarah-Beth Watkins, 2021-03-26 Despite widespread interest in Robert Devereux 2nd Earl of Essex little has been written about him in decades past In Elizabeth I's Last Favourite Sarah Beth Watkins brings the story of his life and death back into the public eye In the later years of Elizabeth I's reign Robert Devereux became the ageing queen's last favourite The young upstart courtier was the stepson of her most famous love Robert Dudley Earl of Leicester Although he tried throughout his life to live up to his stepfather's memory Essex would never be the man he was His love for the queen ran in tandem with undercurrents of selfishness and greed Yet Elizabeth showered him with affection gifts and the tolerance only a mother could have for an errant son In return for a time Essex flattered her and pandered to her every whim But one disastrous commission after another befell the earl from his military campaigns to voyages seeking treasure to his stint as spymaster Ultimately his relationship with the queen would suffer and his final act of rebellion would force Elizabeth I to ensure her last favourite troubled her no more *Catherine of Braganza* Sarah-Beth Watkins, 2017-04-28 Catherine of Braganza a Portuguese princess married Charles II in 1662 and became the merry monarch's Restoration queen Yet life for her was not so merry she put up with the king's many mistresses and continuous plots to remove her from the throne She lived through times of war plague and fire Catherine's marriage saw many trials and tribulations including her inability to produce an heir Yet Charles supported his queen throughout the Restoration remaining devoted to her no matter what Outliving her husband she ended up back in her home country and spent her final days as queen regent of Portugal [The Death of Amy Robsart](#) Sarah-Beth Watkins, 2020-12-11 Amy Robsart was the wife of Queen Elizabeth I's favourite Robert Dudley later Earl of Leicester In September 1560 she was found dead her neck broken at the bottom of a flight of stairs at Cumnor Place Amy was twenty eight when she died and her marriage to Dudley had been one of great absences and loneliness Some said she was ill others that she was desperate More sinister rumours talked of murder In this book we look at Amy's unsolved death and examine

who had motive to commit such a dark deed Was it an accident suicide or murder The Death of Amy Robsart is the first volume in an exciting new historical true crime series from Chronos Books *The Tudor Brandons* Sarah-Beth Watkins,2016-06-24 This fascinating book studies the life and times of Mary Tudor and Charles Brandon Henry VIII s dearest sister and his closest companion Charles rose from being Henry s childhood friend to becoming the Duke of Suffolk a consummate courtier and diplomat Mary was always royalty At first married to the King of France Mary quickly wed Charles after Louis XII s death in 1515 against her brother s wishes Their actions could have been construed as treason yet Henry chose to spare their lives They returned to court and despite their ongoing disagreements throughout the years especially over the king s marriage to Anne Boleyn the Tudor Brandons remained Henry s most loyal subjects and perhaps more importantly his beloved family *Catherine of Braganza* Sarah-Beth Watkins,2017 Detailed account of the turbulent life of Catherine of Braganza King Charles II s Restoration queen **Sir Francis Bryan** Sarah-Beth Watkins,2020-01-31 Sir Francis Bryan was Henry VIII s most notorious ambassador and one of his closest companions Bryan was a man of many talents jouster poet rake and hell raiser gambler soldier sailor and diplomat He served his king throughout his life and unlike many of the other men who served Henry VIII Bryan kept his head and outlived his sovereign This book tells the story of his life from coming to court at a young age through all his diplomatic duties to his final years in Ireland The latest book from the best selling author of *Lady Katherine Knollys The Unacknowledged Daughter of King Henry VIII* *Francis the First, Unacknowledged King of Great Britain and Ireland* Arthur Bradford Cornwall,1936 **The Divorce of Catherine of Aragon** James Anthony Froude,2020-07-31 Reproduction of the original *The Divorce of Catherine of Aragon* by James Anthony Froude **Lady Katherine Grey** Conor Byrne,2023-07-13 I have always abhorred to draw in question the title of the crown so many disputes have been already touching it in the mouths of men so long as I live I shall be queen of England when I am dead they shall succeed that has most right ELIZABETH I When Elizabeth I died in 1603 James VI of Scotland son of the executed Mary Queen of Scots succeeded her as king of England According to the last will and testament of Henry VIII however there was another candidate with most right to succeed Elizabeth Edward Seymour son of Lady Katherine Grey During the early years of Elizabeth s reign Katherine sister of the ill fated Jane was regarded by many at court as heir presumptive However Katherine incurred Elizabeth s lasting displeasure when she secretly married Edward Seymour earl of Hertford and bore him two sons The couple were first imprisoned in the Tower of London then later separately placed under house arrest never to see one another again A commission declared their marriage unlawful and their sons illegitimate Heartbroken Katherine died at the age of 27 Katherine was not simply a tragic figure but a leading candidate to succeed Elizabeth and thus a figure of national and international significance In *Lady Katherine Grey* her dynastic importance is brought to the forefront *The divorce of Catherine of Aragon, a suppl. vol. to the History of England* James Anthony Froude,1893 *Catherine of Aragon* Garrett Mattingly,1990 **The Divorce of Catherine of Aragon; The Story as Told**
