

Vine

MATERIALS: 34 BANDS (VINE) • 10 BANDS (RINGS) • 1 CLIP

LOAD IT UP

First, place the 34 “vine” bands as shown in the diagram. It’s like a zigzag, but with an extra up-and-down band at each corner. Once you’ve placed all 34 vine bands, add the “ring” bands where shown to fill in the holes, starting with band 35 near the bottom of the loom.

GET LOOPING

Turn the loom so the arrow faces down. Hook the bottom band on the second from bottom right peg and loop it up to the second from bottom middle peg. Be sure to push your hook down into the peg, inside the last ring band you placed, to hook the band.

Push your hook down into the peg and hook the bottom band on the second from bottom middle peg, where you just ended. Loop it to the peg to the upper left of it.

Then, starting from the peg you just ended on, loop the next two bottom bands diagonally up and to the right, like you did in steps 1–2.

Now loop the band from the third from bottom right peg up to the fourth from bottom right peg. This is the band that shares a peg with the top of the ring band closest to you. The ring bands do not get looped.

Start at this end

This diagram shows the Rainbow Loom® but if you are using a different loom, don't worry, follow the diagram and instructions exactly and your piece will turn out great. You may just have unused pegs.
