

Get Started! - PLACE BANDS, ROTATE LOOM, PICK & LOOP

START PLACING BANDS ON THIS END

START PICKING BANDS ON THIS END

THESE BASIC STEPS ARE THE SAME NO MATTER WHICH BRACELET YOU'RE MAKING:

1. Making sure that the tab-end is facing you, PLACE Bands around the Posts on the Loom, following the PLACE PATTERN for the bracelet you're making (figure 1).

2. ROTATE the Loom until the Notch end is facing you (figure 2); you will start PICKING the Bands from this end.
3. Following the PICK PATTERN for the bracelet you're making, use the Hook to PICK up a Band through the "U" shaped channel of the Post (figure 3). LOOP the Band onto another Post (figure 4). NOTE: It may help to use your fingers to hold down the other Bands while PICKING and LOOPING.
4. Once PICKING and LOOPING is completed, refer to the "Finishing It Off" in instructions below.

IMPORTANT TIPS:

1. Make sure that you PLACE the Bands on the Loom one at a time in the order shown in the PLACE PATTERN of your chosen bracelet.
2. The Cra-Z-Loom™ works best on a stable surface.
3. Two Cra-Z-Looms™ can be linked together end-to-end to make longer designs.

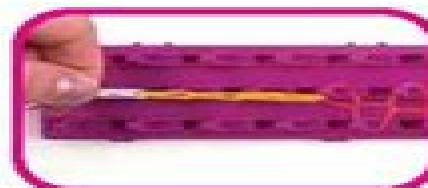

Finishing It Off

1. When you are done with your bracelet, thread a single Band through all of the bands gathered around Post 2.

2. Slip one end of the single Band through the other end, and pull to tighten.

3. Gently lift and tug the bracelet off of the Loom.

4. Connect the two ends of the bracelet with an S-clip.

5. You can make your bracelet longer by adding extra single Bands to either end as described in Steps 1 & 2. If your bracelet is too long, simply place fewer Bands onto the Loom when you make your next Bracelet, stopping on Post 34 or 31.
