Love Poems Rivers That Ignite The Skin:

Afloat in Light David Adès, 2017 David Ades luminous and honest collection *Afloat in Light* is chiefly a celebration of fatherhood and of paying attention utilising Simone Weil's notion that attention is the rarest and purest form of generosity. The collection extends to existence and loss and a discourse on motive and meaning. Maps and moral compass are never far away in such explorations and like all good navigators Ades consults the moon and the stars to guide him through emotional terrain that crosses the globe via Australia India and the United States. Poems about connection and love familial intimate parental and friendship hold their weight of history via scar tissue and heritage to allow a vast and full space to fill the maps of our lives. *Afloat in Light* delicately balances that most crucial aspect of life of how the ordinary is anything but. Ades is a poet that fully harnesses the verve of small miracles.
