**Latino History Day by Day** Caryn E.

Neumann, Tammy S. Allen, 2013-05-09 This title takes a calendrical approach to illuminating the history of Latinos and life in the United States and adds more value than a simple this day in history through primary source excerpts and resources for further research Latino a history has been relatively slow in gaining recognition despite the population's rich and varied history Engaging and informative Latino History Day by Day A Reference Guide to Events will help address that oversight Much more than just a this day in history list the guide describes important events in Latino a history augmenting many entries with a brief excerpt from a primary document All entries include two annotated books and websites as key resources for follow up The day to day reference is organized by the 365 days of the year with each day drawing from events that span several hundred years of Latino a history from Mexican Americans to Puerto Ricans to Cuban Americans With this guide in hand teachers will be able to more easily incorporate Latino a history into their classes Students will find the book an easy to use guide to the Latino a past and an ideal starting place for research *Latinos in American Society* Ruth Enid

Zambrana, 2011-06-15 It is well known that Latinos in the United States bear a disproportionate burden of low educational attainment high residential segregation and low visibility in the national political landscape In *Latinos in American Society* Ruth Enid Zambrana brings together the latest research on Latinos in the United States to demonstrate how national origin age gender socioeconomic status and education affect the well being of families and individuals By mapping out how these factors result in economic social and political disadvantage Zambrana challenges the widespread negative perceptions of Latinos in America and the single story of Latinos in the United States as a monolithic group Synthesizing an increasingly substantial body of social science research much of it emerging from the interdisciplinary fields of Chicano studies U S Latino studies critical race studies and family studies the author adopts an intersectional social inequality lens as a means for understanding the broader sociopolitical dynamics of the Latino family considering ethnic subgroup diversity community context institutional practices and their intersections with family processes and well being Zambrana a leading expert on Latino populations in America demonstrates the value of this approach for capturing the contemporary complexity of and transitions within diverse U S Latino families and communities This book offers the most up to date portrait we have of Latinos in America today *The Columbia History of Latinos in the United States Since 1960* David Gregory Gutiérrez, 2004

Offers a comprehensive historical overview of the Latinization of the United States that has occurred over the past four decades Brings together the views of some of the foremost scholarly interpreters of the recent history of Latinos in the United States **Global Communications** Paula Chakravartty, Yuezhi Zhao, 2007-08-29 This provocative book takes a new approach toward understanding the uneven flows of global communications Rather than guiding its discussion by geography types of media or traditional separations of power and resistance *Global Communications* examines political economic power and communication in relation to historically specific encounters with modernity It underscores lived experiences in its approach to globalization showing that the state and the market can both be sites of empowerment just as civil society might

also be a site of repression Taking a political economic analysis of communication and culture this dynamic group of international authors looks beyond developments in the North American information and culture industries to map new forms of citizenship and exclusion The chapters spotlight China Ghana India Japan Palestine Russia Singapore and Venezuela and foreground the transnational formations of the European Union the pan Arab and Spanish speaking markets and civil society actors in sub Saharan African the Middle East and North America Theoretically driven and empirically grounded Global Communications defines communication broadly to include production circulation and consumption and addresses urgent questions about the inequalities of globalization and the possibilities of hybrid cultural forms and practices

**Latin American Women Filmmakers** Deborah Martin, Deborah Shaw, 2017-03-23 Latin American women filmmakers have achieved unprecedented international prominence in recent years Notably political in their approach figures such as Lucrecia Martel Claudia Llosa and Bertha Navarro have created innovative and often challenging films enjoying global acclaim from critics and festival audiences alike They undeniably mark a moment for Latin American cinema Bringing together distinguished scholars in the field and prefaced by B Ruby Rich this is a much needed account and analysis of the rise of female led film in Latin America Chapters detail the collaboration that characterises Latin American women s filmmaking in many ways distinct from the largely Third Cinema auteurism from the region as well as the transnational production contexts unique aesthetics and socio political landscape of the key industry figures Through close attention to the particular features of national film cultures from women s documentary filmmaking in Chile to comedic critique in Brazil and from US Latina screen culture to the burgeoning popularity of Peruvian film this timely study demonstrates the remarkable possibilities for film in the region This book will allow scholars and students of Latin American cinema and culture as well as industry professionals a deeper understanding of the emergence and impact of the filmmakers and their work which has particular relevance for contemporary debates on feminism

The Emergence of Latino Americanos on the United States Political Stage Anthony A. Sisneros, 2007 This study is the first empirical study of the development of Latino empowerment on the United States political stage utilizing data collected from voter behavior research narrative inquiry participant observation interviews content analysis case study analysis case law analysis and examinations of national and state labor force statistical data This work should appeal to scholars interested in state and local government legislative studies law and courts public administration and nonprofit and ethnic studies events give due cause to be impressed with Latino Americanos first the fact that in 2003 Latinos became the United States largest minority second three Latino U S Senators first time Latino Attorney General and Secretary of Commerce and female Mexican born defeats incumbent native born Hispanic and MPA graduate for a House seat in the Illinois State General Assembly are all historic events for the Latino community in America This book is timely considering significant population shifts in the United States which are redefining the minority plurality and majority status of Latinos by utilizing data collected from voter behavior research narrative inquiry participant

observation interviews content analysis case study analysis case law analysis and examinations of national and state labor force statistical data      **Abstract Barrios** Johana Londoño, 2020-08-10 In *Abstract Barrios* Johana Londoño examines how Latinized urban landscapes are made palatable for white Americans Such Latinized urban landscapes she observes especially appear when whites feel threatened by concentrations of Latinx populations commonly known as barrios Drawing on archival research interviews and visual analysis of barrio built environments Londoño shows how over the past seventy years urban planners architects designers policy makers business owners and other brokers took abstracted elements from barrio design such as spatial layouts or bright colors to safely Latinize cities and manage a long standing urban crisis of Latinx belonging The built environments that resulted ranged from idealized notions of authentic Puerto Rican culture in the interior design of New York City's public housing in the 1950s which sought to diminish concerns over Puerto Rican settlement to the Fiesta Marketplace in downtown Santa Ana California built to counteract white flight in the 1980s Ultimately Londoño demonstrates that abstracted barrio culture and aesthetics sustain the economic and cultural viability of normalized white and middle class urban spaces      **Latino(a) Research Review**, 2002      **Latin@s in the World-system** Ramón Grosfoguel, Nelson Maldonado Torres, José David Saldívar, 2005 Addresses the potential of diverse Latino a spiritualities origins and status against the landscape of decolonization of the US economic and cultural empire in the twenty first century This book explores the impact of Indo latinos and Afro latinos in the United States      **Latino and Latina Writers** Alan West, 2004 A two volume bio bibliographical and critical examination of numerous Cuban Dominican Chicano and Puerto Rican writers Includes only authors who have published since 1960      **Latin American Studies Association ... International Congress** Latin American Studies Association. International Congress, 2003      **The Xaripu Community Across Borders** Manuel Barajas, 2009 *The Xaripu Community across Borders* presents the first cross national comparative study that examines a Mexican origin community's experience with international migration and transnationalism      **I Am Aztlán** Chon A. Noriega, Wendy Laura Belcher, 2004 Most articles previously published in *Aztlaan* a journal of Chicano studies between 1997 and 2003      **Confronting Politics Through the Negotiation of Identity in Contemporary Visual Art** Stephanie Jane Beene, 2007      **Latino Literature in America** Bridget Kevane, 2003-12-30 Each chapter gives biographical background on the author and clear literary analysis of the selected works including a concise plot synopsis Delving into the question of cultural identity each work is carefully examined not only in terms of its literary components but also with regard to the cultural background and historical context      **British Bulletin of Publications on Latin America, the Caribbean, Portugal, and Spain**, 2003
