

## Lord of the Flies: Revision pack

### Symbols

#### **Piggy's Glasses**

*Represent power, civilisation and order. They deteriorate throughout the novel becoming more and more broken until they, like Piggy, are destroyed. They are the only means of making fire so are also linked to survival and rescue.*

"His specs-use them as burning glasses."

"...he saw more clearly if he removed his glasses and shifted the one lens to the other eye; but even through the good eye, after what had happened, Ralph remained unmistakably Ralph."

"Piggy took back his glasses and looked at the smoke with pleasure."

"He was a chief now in truth; and made stabbing motions with his spear. From his left hand dangled Piggy's broken glasses."

"Piggy handed Ralph his glasses and waited to receive back his sight."

"He was a chief now in truth; and made stabbing motions with his spear. From his left hand dangled Piggy's broken glasses."

#### **Fire**

*Has several meanings and could be said to represent the following things:*

*Danger, it cannot be controlled and probably claimed the life of the boy with the birthmark.*

*The boys' primal urges (to make fire, to hunt, to dance and play-as in the scene of Simon's murder)*

*Safety, light and comfort.*

"We don't want another night without fire."

"This was the first time he had admitted the double function of the fire. Certainly one was to send up a beckoning column of smoke; but the other was to be a hearth now and a comfort until they slept."

"Ralph tried indignantly to remember. There was something good about a fire.

Something overwhelmingly good."

*Hope (particularly the hope of rescue)*

"Four of us. We aren't enough to keep the fire burning."

*Cleansing, in destroying the island at the end of the novel the boys are rescued and given the chance of a fresh start.*

#### **The Conch**

*Represents order and democracy. At the start it is respected and obeyed but as order breaks down the conch loses its power.*

*Piggy is the only one who believes in the power of the conch throughout the novel and it is significant that it is destroyed at the same time he is.*
