Lord Of The Abyss Desert Warrior:

Lord of the Abyss & Desert Warrior Nalini Singh, 2011-11-22 Once upon a time the Blood Sorcerer vanquished the kingdom of Elden To save their children the queen scattered them to safety and the king filled them with vengeance Only a magical timepiece connects the four royal heirs Now they must return and save Elden and time is running out As the dark Lord who condemns souls to damnation in the Abyss Micah is nothing but a feared monster He has no idea he is the last heir of Elden Only one woman knows the daughter of his enemy Liliana sees past his impenetrable black armor to the prince inside To help Micah remember she must brave his dark dangerous lair Because they only have until midnight to save Elden

The Exodus from Egypt and the Desert of Amenta Gerald Massey, 2008-11-01 When roughly classed the myths and legends generally show two points of departure for migrations of the human race as these were rendered in the stellar and solar mythology One is from the summit of the celestial mount the other from the hollow underworld beneath the mount or inside the earth The races that descended from the mount were people of the pole whose starting point in reckoning time was from one or other station of the pole star determinable by its type whether as the tree the rock or other image of a first point of departure Those who ascended from the nether world were of the solar race who came into existence with the sun as it is represented in the legendary lore from The Exodus from Egypt and the Desert of Amenta It goes unappreciated by modern Egyptologists but it is embraced by those who savor the concept of a hidden history of humanity and those who approach all human knowledge from the perspective of the esoteric Gerard Massey's massive *Ancient Egypt The Light of the World* first published in 1907 and the crowning achievement of the self taught scholar redefines the roots of Christianity via Egypt proposing that Egyptian mythology was the basis for Jewish and Christian beliefs Here Cosimo proudly presents Book 8 of *Ancient Egypt* in which Massey roots the story of the Hebrew exodus deep in Egyptian legend From wilderness deserts and promised lands of plenty to magical rods and twelve tribes Massey explains how the Hebrew tale descended from the story of Ra Peculiar and profound this work will intrigue and delight readers of history religion and mythology British author GERALD MASSEY 1828 1907 published works of poetry spiritualism Shakespearean criticism and theology but his best known works are in the realm of Egyptology including *A Book of the Beginnings* and *The Natural Genesis* *Transactions of the Society of Biblical Archæology* Society of Biblical Archæology (London, England), 1878 List of members in each volume
