

BONUS SCENE

Ava

I'D DONE THE IMPOSSIBLE: I'D CONVINCED ALEX TO GO apple picking.

I *might* have cheated and tricked him into agreeing during sex—he was far more accommodating after an orgasm—but to be fair, I was sure he didn't hate the countryside and fall activities as much as he proclaimed.

Case in point: we'd been apple picking for hours, and he hadn't once complained. He hadn't gushed about it either, but it was Alex. He didn't gush about anything. The fact that he hadn't killed anyone was proof enough he was enjoying himself.

"A little to the left...a little more...perfect!" I plucked the apple I'd been eyeing off the tree and dropped it into my basket. Since it was too high for me to reach, Alex had hoisted me onto his shoulders and let me use him as my personal ladder. "I think that's the last one."

"Good." He lowered me onto the ground, his tone dry. "Any more and you would've picked all the trees bare."

I let out a small huff. "You're exaggerating."

We stared down at my overflowing basket. It was my fifth one that day.

Love In A Few Pages
