Red Chamber, World Dream Jing Sun, 2021-03-04 Chinese president Xi Jinping is most famously associated with his Chinese Dream campaign envisioning a great rejuvenation of the nation Many observers though view China s pursuit of this dream as alarming They see a global power ready to abandon its low profile diplomacy and eager to throw its weight around Red Chamber World Dream represents an interdisciplinary effort of deciphering the Chinese Dream and its global impact Jing Sun employs methods from political science and journalism and concepts from literature sociology psychology and drama studies to offer a multilevel analysis of various actors roles in Chinese foreign policy making the leaders the bureaucrats and its increasingly diversified public This book rejects a simple dichotomy of an omnipotent authoritarian state

versus a suppressed society Instead it examines how Chinese foreign policy is constantly being forged and contested by interactions among its leaders bureaucrats and people The competition for shaping China s foreign policy also happens on multiple arenas intraparty fighting inter ministerial feuding social media TV dramas and movies among others This book presents vast amounts of historical detail many unearthed the first time in the English language Meanwhile it also examines China s diplomatic responses to ongoing issues like the Covid 19 crisis The result is a study multidisciplinary in nature rich in historical nuance and timely in contemporary significance Working and Singing Richard Sheldon Chadwick,1875
