

# Jeep Wagoneer

For 1981, we've expanded the Wagoneer line to include the Custom model, new Brougham package and the incomparable Wagoneer Limited. The effort is that Wagoneer is now more affordable. So more families can take advantage of the sure-footed security of 4-wheel drive.

## Jeep Wagoneer Custom

The standard Wagoneer is the Custom...but it's hardly what you would call "standard". Power steering, new low-drag power front disc brakes, part-time 4WD with free-wheeling front hubs and 4-speed, fully synchronized manual transmission are all standard. The passenger area is richly carpeted and the seats elegantly trimmed in Care grain vinyl.

The standard 258 CC six-cylinder engine is 90 hp, newer this year, for even more spirited performance and practicality.

Now standard Goodyear "Vee" radials, a new front air dam and the low drag disc brake design, all combine to reduce Wagoneer's rolling resistance.

If you wish, you can team the standard five and part-time 4-wheel drive system with the optional automatic transmission which features a lock-up torque converter. Either way the part-time system lets you select 2-wheel drive when you want it for on-road efficiency, or 4-wheel drive when you need it for sure-footed security for the family. Jeep's exclusive Quadra-Trac<sup>®</sup> automatic 4WD is also available.

You can order just about any convenience you want from Wagoneer's generous options and accessories list.

## Jeep Wagoneer Brougham

The Wagoneer Brougham package is new for '81. It offers everything the Custom includes plus additional trim and convenience items that put it a cut above the Custom Wagoneer...and why above most other full size wagons.

On the inside, there's luxurious Country Club fabric upholstery for the comfortable bench seat or available buckets. Oh, if you prefer, Deluxe Green vinyl. The available colors are black, blue, beige or nutmeg. Premium door trim panels, soft headliner and woodgrain trim around cluster and horn cover complete the Brougham interior scheme.

Bright door frames, bright center window frames, and lower tailgate moldings dress up the Brougham exterior. The body-side wall molding with woodgrain insert is both handsome and protective. And the standard Wagoneer "Vee" radials are set off by 10 x 7 chrome rigid steel wheels.

On the functional side, the Brougham includes the following features: extra quiet insulation, the Convenience Group (including underhood light, lights on burner and digital clock), the Light Group (including interior cargo light and tailgate switch, a lighted rear vanity mirror, and courtesy, map/dome, glove box and ashtray lighting), a roof rack, protective floor mats and a power tailgate window.
