## **Jehovah Witness Kingdom Ministry April 2014:**

**Jehovah's Witnesses and the Secular World** Zoe Knox, 2018-01-29 This book examines the historic tensions between Jehovah's Witnesses and government authorities, civic organisations, established churches and the broader public. Witnesses originated in the 1870s as small, loose-knit groups calling themselves Bible Students. Today there are some eight million Witnesses worldwide, all actively engaged in evangelism under the direction of the Watch Tower Society. The author analyses issues that have brought them global visibility and even notoriety, including political neutrality, public ministry, blood transfusion and anti-ecumenism. It also explores anti-Witness discourse from media portrayals of the community as marginal and exotic to the anti-cult movement. Focusing on varied historical, ideological and national contexts, the book argues that Witnesses have had a defining influence on conceptions of religious tolerance in the modern world. *Shutting the Door to the Kingdom of God* Eric Michael Wilson, 2022-08-20 This book uses the New World Translation of the Holy Scriptures to prove that all the teachings of Jehovah's Witnesses concerning the Last Days and the good news of salvation are unscriptural. The author, an elder of Jehovah's Witnesses for 40 years, shares the results of the last ten years of his research into such Watch Tower teachings as the 1914 invisible presence of Christ, the overlapping generation doctrine, the failed prophecies of 1925 and 1975, the fact that the Governing Body had evidence long ago showing that 607 BCE was not the date of the Babylonian exile, and most important of all, the abundant evidence that the salvation hope offered to the JW Other Sheep is a Rutherford invention wholly without support in Scripture. He also shares his experience on how Witnesses who continue to believe in Jehovah and Jesus can move beyond JW.org without sacrificing their faith. This is a must-read for any Jehovah's Witness who is a seeker of truth and unafraid to put his or her beliefs to the test. *Jehovah's Witnesses in Europe* Gerhard Besier, Katarzyna Stokłosa, 2021-08-18 The history of Jehovah's Witnesses in Europe has always been one of persecution. This third volume documents this history, turning eastward. For the first time, the circumstances of a religious minority under different political systems can be compared across the continent. The studies gathered here provide insight into the methods of repression used by governments and mainstream churches, the survival strategies of Jehovah's Witnesses and their various experiences under Eastern European dictatorships. The initially cordial relationship with Jehovah's Witnesses that developed after 1990 has steadily reverted to religious discrimination, culminating in Russia's renewed ban of Jehovah's Witnesses in 2017 and the confiscation of their properties. By violating the universal human right of religious freedom, the same conditions that prevailed in the Soviet era have now returned to modern Russia. With severest discrimination and abusing jurisdictional procedures to reach their political aspirations, the State tries to crush a religious community. Against this background, it is all the more important not to turn a blind eye to the situation of religious minorities in Eastern Europe but instead to take an honest public stance against it. **Cult Shock** Mark Stengler, 2017-07-04 Two Christian Bible scholars outline arguments anyone can use to counter and evangelize to Jehovah's Witnesses and Mormons when they come knocking. **From Kingdom Hall to Kingdom Call** Raymond Allan Johnson,2014-01-01 This book is the story of a man who was raised in one of the world s largest and best known hetero doxical religions and walked away to become a minister in the Baptist Church Bishop Johnson s mother became a Jehovah s witness when he was six months old so growing up Watchtower doctrine was all he knew He left the Jehovah s witnesses at the age of twenty three and his younger sister left as well three years later Watchtower doctrine mandates that all Jehovah s witnesses in good standing must shun anyone who either leaves the organization or is cast out even members of one s own family In the first chapter Bishop Johnson s story begins with a tribute to his late mother who refused to alienate her children and probably came under harsh scrutiny as a result In the book he tells the reader about the Society s controversial disciplinary policy called Disfellowshipping while at the same time giving the reader a whimsical look at life in the Kingdom Hall he attended for most of his childhood Bishop Johnson wrote *From Kingdom Hall to Kingdom Call* to be an inspiration and offer words of encouragement to Jehovah s witnesses ex Jehovah s witnesses student Jehovah s witnesses and all other seekers to The Truth As his story draws to a close he writes You might not remember more than half the stories I have told you in this book a lot of what I have told you has absolutely nothing to do with the end story but if you take nothing else away from my story please let it be the deliberateness by which the Holy Spirit moves us into the path of our destiny if we are willing to let Him if we don t try to push back against the tailwind
