Jesus Land Julia Scheeres:

Jesus Land Julia Scheeres, 2010-05 One of the most compelling page turning memoirs to come along in years by turns jarring shocking and funny a keenly moving ode to the dream of perfect family Sinners go to HELL Rightchuss go to HEAVEN The end is near REPENT This here is JESUS LAND Julia Scheeres stumbles across these signs along the side of a cornfield while out biking with her adopted brother David It s the mid 1980s they re sixteen years old and have just moved to rural Indiana a landscape of cottonwood trees and trailer parks and a racism neither of them is prepared for While Julia is white her close relationship with David who is black makes them both outcasts At home a distant mother more involved with her church s missionaries than with her own children and a violent father only compound their problems When the day comes that high school hormones bullying and a deep seated restlessness prove too much to bear the parents send Julia and David to the Dominican Republic to a reform school there In this riveting memoir first time author Scheeres takes us with her from the Midwest to a place beyond our imagining Surrounded by natural beauty the Escuela Caribe is governed by a disciplinary regime that demands its teens repent for their sins under boot camp conditions Julia and David s determination to make it through with heart and soul intact is told here with immediacy candor sparkling humor and not a note of malice **Jesus**

Land Julia Scheeres, 2005 **A Thousand Lives** Julia Scheeres, 2011-10-11 In 1954 a pastor named Jim Jones opened a church in Indianapolis called Peoples Temple Full Gospel Church He was a charismatic preacher with idealistic beliefs and he quickly filled his pews with an audience eager to hear his sermons on social justice As Jones s behavior became erratic and his message more ominous his followers leaned on each other to recapture the sense of equality that had drawn them to his church But even as the congregation thrived Jones made it increasingly difficult for members to leave By the time Jones moved his congregation to a remote jungle in Guyana and the US government began to investigate allegations of abuse and false imprisonment in Jonestown it was too late A Thousand Lives is the story of Jonestown as it has never been told New York Times bestselling author Julia Scheeres drew from tens of thousands of recently declassified FBI documents and audiotapes as well as rare videos and interviews to piece together an unprecedented and compelling history of the doomed camp focusing on the people who lived there The people who built Jonestown wanted to forge a better life for themselves and their children In South America however they found themselves trapped in Jonestown and cut off from the outside world as their leader goaded them toward committing revolutionary suicide and deprived them of food sleep and hope Vividly written and impossible to forget A Thousand Lives is a story of blind loyalty and daring escapes of corrupted ideals and senseless haunting loss **Another Hour on a Sunday Morning** Julia Scheeres, 2005 One of the most compelling page turning

memoirs to come along in years by turns jarring shocking and funny Another Hour on a Sunday Morning is the story of two children growing up in fundamentalist Christian America Sinners go to HELL Rightchuss go to HEAVEN The end is near REPENT This here is JESUS LAND Julia Scheeres stumbles across these signs along the side of a cornfield while out biking

with her adopted brother David It s the mid 1980s they re sixteen years old and have just moved to rural Indiana a landscape of cottonwood trees and trailer parks and a racism neither of them is prepared for While Julia is white her close relationship with David who is black makes them both outcasts At home a distant mother more involved with her church s missionaries than with her own children and a violent father only compound their problems When the day comes that high school hormones bullying and a deep seated restlessness prove too much to bear the parents send Julia and David to the Dominican Republic to a 1980s Christian version of Brat Camp the Midwest to a place beyond our imagining Surrounded by natural beauty the Escuela Caribe is governed by a disciplinary regime that demands its teens repent for their sins under boot camp conditions Julia and David s determination to make it through their childhood and the camp with heart and soul intact is told here with immediacy candor and sparkling humour Mesmerising and unputdownable like *Running with Scissors* by Augusten Burroughs or *Once In A House On Fire* by Andrea Ashworth Another Hour on a Sunday Morning is unforgettable **The Autobiographer's Handbook** Jennifer Traig,2008-09-02 You re invited to a roundtable discussion with today s most successful memoirists P 4 of cover [The Logic of Racial Practice](#) Brock Bahler,2021-02-08 The title of this collection *The Logic of Racial Practice* pays homage to the work of Pierre Bourdieu who coined the term habitus to name the pretheoretical embodied dispositions that orient our social interactions and meaningfully frame our lived experience The language of habit uniquely accounts for not only how we are unreflectively conditioned by our social environments but also how we responsibly choose to enact our habits and can change them Hence this collection of essays edited by Brock Bahler explores how white supremacy produces a racialized modality by which we live as embodied beings arguing that race and racism is performative habituated and enacted We do not regularly have to think about race since race is a praxis producing embodied habits that have become sedimented into our ways of being in the world and that instill within us racialized and racist dispositions postures and bodily comportments that inform how we interact with others The construction of race produces a particular bodily formation in which we are shaped to viscerally perceive through a racialized lens images words activities and events without any self reflective conceptualization and which we perpetuate throughout our day to day choices The contributors argue that eradicating racism in our society requires unlearning these racialized habitus and cultivating new anti racist habits **God and His Demons** Michael Parenti,2010-06-30 A noted author and activist brings his critical acumen and rhetorical skills to bear in this polemic against the dark side of religion Unlike some popular works by stridently outspoken atheists this is not a blanket condemnation of all believers Rather the author s focus is the heartless exploitation of faithful followers by those in power as well as sectarian intolerance the violence against heretics and nonbelievers and the reactionary political and economic collusion that has often prevailed between the upper echelons of church and state Parenti notes the deleterious effects of past theocracies and the threat to our freedoms posed by present day fundamentalists and theocratic reactionaries He discusses how socially conscious and egalitarian minded liberal religionists have often been

isolated and marginalized by their more conservative and better financed coreligionists Finally he documents the growing strength of secular freethinkers who are doing battle against the intolerant theocratic usurpers in public life Historically anchored yet sharply focused on the contemporary scene this eloquent indictment of religion s dangers will be welcomed by committed secular laypersons and progressive religionists alike **Check These Out** Gina Sheridan,2015-07-03 Discover a librarian s secret stash of great reads We ve all been there in the library head tilted sideways doing our best to navigate a blur of spines and titles to find one worth reading Luckily the hunt is over Librarian author and book devourer Gina Sheridan has sorted through the stacks to compile a list of read worthy titles you may have skipped over in your search Check These Out is her secret stash of books that have captivated her mind and soul throughout the years Inside she reveals a wide range of extraordinary yet uncommon stories that will completely change the way you view the world from Michael Dorris s A Yellow Raft in Blue Water to Herman Melville s The Confidence Man His Masquerade After each suggestion Sheridan offers a hilariously clever summary as well as surprising details about the book or author Complete with a checklist to keep track of the titles you ve read Check These Out will help you discover a whole new world of literature you won t believe you missed
