The Modern Version Incursion Ken Matto, 2018-04-10 I wrote The Modern Version Incursion because there is a need in the church for Christians to see plainly that the modern versions of the Bible are counterfeits God wrote one Bible not three hundred The Bible tells us plainly that God s word is forever settled in heaven as Psalm 119 89 teaches This means the word of God is established and firm in heaven The modern versions attack the cardinal doctrines of the Christian faith and especially attack the Lord Jesus Christ The modern versions are based on the second century Gnostic beliefs that were prevalent in Alexandria Egypt They disbelieved that Jesus was the Son of God and that He was not the incarnation of deity What is really unhealthy is when the pastor of a church pushes these counterfeits and convinces their congregation that they are the most accurate I sincerely desire Christians to look at their modern version and then compare it with the King James Bible and ask the question why is theirs so different We will look at 747 verses which should be more than enough to convince even the skeptic Christians will search out a neighborhood to live in check out a mutual fund or stock research a car before they buy but when it comes to Bibles they couldn t care less what they use It shows how Christian commitment is lacking and the weakness of modern Christianity attests to that fact If one uses a counterfeit they will be weak in their walk Since the 1901 ASV came out the church has become so weak it needs to be put on life support When you start making the comparisons in this book you will see that Christianity has been sold a bill of goods **Sun Yatsen, Robert Wilcox and Their Failed Revolutions, Honolulu and Canton 1895** Patrick Anderson, 2021-06-27 Dynamite on the Tropic of Cancer is the radical explosive retelling of the first decade of the Father of Modern China Dr Sun Yatsen s globally shaped formation as a professional revolutionist and of the impact of the adult Sun s revolutionary relationship with Hawai i and with his varied

communities of supporters there during its own most turbulent political decade the 1890s years in which this remote island nation transformed from native monarchy via sovereign independent republic to become the USA's first overseas territory. Drawn from neglected primary sources *Dynamite* reveals the hitherto untold story of the secret revolutionary alliance forged in Honolulu's backstreets between Sun's Xingzhonghui and the idiosyncratic Italophile soldier Robert Wilcox. Hawai'i's Garibaldi and leader of the Kanaka Native Hawaiian counterrevolution of January 1895. This failed uprising to restore Hawai'i's tragic last Queen witnessed firsthand by Sun Yatsen became the archetype upon which ten months later Sun would base his own first attempt at armed insurrection in China the Canton uprising of 26 October 1895. With an epic sweep across the Pacific's Tropic of Cancer *Dynamite* is the most important study yet written on the origins of Sun Yatsen's Chinese Revolution and its dynamic interface with Hawaiian history.

The Boston Medical and Surgical Journal, 1903 *James Legge and the Chinese Classics* Marilyn Laura Bowman, 2016-08-31 James Legge 1815-1897 was a great Scots scholar and missionary famed as a translator of the Chinese Classics when struggles between Britain and China included two wars. It was an era of sailing ships, pirates, opium wars, the swashbuckling East India Company, cannibals eating missionaries and the opening of Qing China to trade and ideas. Legge was vilified by fundamentalist missionaries who disagreed with his favourable views about Chinese culture and beliefs. He risked beheading twice while helping Chinese individuals being terrorized during the Taiping Rebellion. He became so ill from Hong Kong fevers when only 29 that he was forced to return to the UK to save his life. Recovering, he and his three talented Chinese students attracted such interest that they were invited to a private meeting with Queen Victoria. Legge thrived despite serious illnesses, lost five of his 11 children and both wives to premature deaths, survived cholera epidemics, typhoons and massive fires. He was poisoned twice in a famous scandal, helped save a sailing ship from fire on the high seas, took in a bohemian Qing scholar on the run, foiled a bank bombing plot and earned enmity in the colony for providing court testimony about translation that favoured accused Chinese men rather than the colonial authorities. Legge's resilient responses and incredible productivity reflected the passion he had developed at the age of 23 for understanding the culture of China. He retired to become a Fellow of Corpus Christi College and the first Professor of Chinese.
