

“

As your classes and grading are now complete, may you strive toward excellence in all you do. As the speeches conclude, may your voices rise up to pronounce justice and peace in the world. As the fanfares cease, may you sing of joy, even in the dark and lonely places. As the applause quiets, may you celebrate and lift up those around you. As you graduate, may your achievements grow and cause growth in your communities. And may we all know of the overwhelming blessings of the One who created all things.”

iPresente! Kyle B.T. Lambelet, 2020-02-03 *Presente* develops a lived theology of nonviolence through an extended case study of the movement to close the School of the Americas also known as the SOA or WHINSEC Specifically it analyzes how the presence of the dead a presence proclaimed at the annual vigil of the School of the Americas Watch shapes a distinctive transnational nonviolent movement Kyle B T Lambelet argues that such a messianic affirmation need not devolve into violence or sectarianism and in fact generates practical reasoning By developing a messianic political theology in dialogue with the SOA Watch movement Lambelet s work contributes to Christian ethics as he explores the political implications of the resurrection of the dead This book contributes to studies of strategic nonviolence and civil resistance by demonstrating how religious and moral dynamics
