

A large, abstract watercolor illustration of a world map serves as the background. The map is rendered in soft, blended colors: North America is in shades of blue and green, Europe and Africa are in warm tones of orange, yellow, and red, and Asia and Australia are in cooler blues and greens. The style is artistic and fluid, with colors bleeding into each other.

Literary Criticism Charles E. Bressler, 1999 The

second edition of *Literary Criticism* by Charles E Bressler is designed to help readers make conscious informed and intelligent choices concerning literary interpretation By explaining the historical development and theoretical positions of eleven schools of criticism author Charles Bressler reveals the richness of literary texts along with the various interpretative approaches that will lead to a fuller appreciation and understanding of such texts **Beginning Theory** Peter Barry,1995 Though poets have always written about cities the commonest critical categories pastoral poetry nature poetry Romantic poetry Georgian poetry etc have usually stressed the rural so that poetry can seem irrelevant to a predominantly urban population Explores a range of contemporary poets who visit the mean streets of the contemporary urban scene seeking the often cacophonous music of what happens here Poets discussed include Ken Smith Iain Sinclair Roy Fisher Edwin Morgan Sean O'Brien Ciaran Carson Peter Reading Matt Simpson Douglas Houston Deryn Rees Jones Denise Riley Ken Edwards Levi Tafari Aidan Hun and Robert Hampson Approaches contemporary poetry within a broad spectrum of personal social literary and cultural concerns Includes loco specific chapters on cities including Hull Liverpool London and Birmingham with an additional chapter on post industrial cities such as Belfast Glasgow and Dundee **Voegelinian Readings of Modern Literature** Charles R. Embry,2011-05-16 These essays supply a theoretical grounding for the reading of novels poems and plays and reveal how the Voegelinian perspective exposes the existential and philosophical dimensions of the literary works themselves As a unit this collection of essays shows how modern pieces of literature can symbolize their creators participation in the human search for the truth of existence just as myths philosophical works and religious texts always have Voegelin's primary concern as a philosopher was to expose the roots of the disturbances of the modern era religious conflict imperialism war so that the sources of order leading to meaning are revealed The openness of Voegelinian thought and the many ways he considered the levels of reality generate intriguing themes for literary criticism **Literary Theory from Plato to Barthes** Richard Harland,2005 **Literary Theory and Criticism: An Introduction** Anne H. Stevens,2015-06-18 *Literary Theory and Criticism An Introduction* provides an accessible overview of major figures and movements in literary theory and criticism from antiquity to the twenty first century It is designed for students at the undergraduate level or for others needing a broad synthesis of the long history of literary theory An introductory chapter provides an overview of some of the major issues within literary theory and criticism further chapters survey theory and criticism in antiquity the Middle Ages and Renaissance the Enlightenment and the nineteenth century For twentieth and twenty first century theory the discussion is subdivided into separate chapters on formalist historicist political and psychoanalytic approaches The final chapter applies a variety of theoretical concepts and approaches to two famous works of literature William Shakespeare's *Hamlet* and Mary Shelley's *Frankenstein* **The Complete Idiot's Guide to Literary Theory and Criticism** Steven J. Venturino, PhD,2013-03-05 From Plato to Freud to ecocriticism the book illustrates dozens of stimulating and sometimes notoriously complex perspectives for approaching literature and film The book offers

authoritative clear and easy to follow explanations of theories that range from established classics to the controversies of current theory Each chapter offers a conversational step by step explanation of a single theory critic or issue accompanied by concrete examples for applying the concepts and engaging suggestions for related literary readings Following a section on the foundations of literary theory the book is organized thematically with an eye to the best way to develop a real working understanding of the various theories Cross references are particularly important since it s through the interaction of examples that readers most effectively advance from basic topics and arguments to some of the more specialized and complicated issues Each chapter is designed to tell a complete story yet also to reach out to other chapters for development and debate Literary theorists are hardly unified in their views and this book reflects the various traditions agreements influences and squabbles that are a part of the field Special features include hundreds of references to and quotations from novels stories plays poems movies and other media Online resources could also include video and music clips as well as high quality examples of visual art mentioned in the book The book also includes periodic running references to selected key titles such as *Frankenstein* in order to illustrate the effect of different theories on a single work
