

THE FORD REGISTERED OWNER PLAN . . . your key to more carefree driving

The FORD REGISTERED OWNER PLAN enables you to obtain the full benefits of the more carefree driving that your new Ford is designed to give by providing these valuable benefits:

- Comprehensive warranty protection
- Simplified, low cost maintenance service
- Prompt, professional, personalized treatment at Ford dealerships

The key element of the Plan is the Ford Registered Owner's Manual itself. This one, easy-to-keep reference book includes all the important information about your Ford, including your New Car Warranty, Battery Warranty, Tire Guarantee, periodic maintenance instructions and coupons, and detailed operating instructions.

Another important part of the Ford Registered Owner Plan is the useful all-new Ford Registered Owner Identification card or Ownership Card. This is a plastic, enclosed card containing your name and address along with code numbers identifying the model, engine and options of your new Ford. Ford Division will send your Ownership Card to you approximately three weeks after you take delivery of your car. Keep this Ownership Card handy by retaining it in the pocket provided on the inside front cover of this Manual.

1. validation of your new car warranty

By filling out the certificate on the inside front cover of this Manual, your Ford dealer registers you in the Ford Registered Owner Plan and your signature on this certificate validates your dealer's New Car Warranty to you.

Should you require any warranty service, your Ford dealer's factory-trained service personnel will explain fully any work that is required, and perform this work promptly under the terms of your warranty. (See Page 2 for details.)

2. convenient handling of preventive maintenance

Preventive Maintenance Coupons in the back of this Manual make it easy to obtain the FORD QUALITY CAR CARE maintenance service needed to keep your car in top operating condition. After each 5,000 miles or 6 months of operation, simply visit your Ford dealer and give him the applicable maintenance coupon, noting any additional work you wish to have done. (See Page 64 for details.)

Your dealer's verification of the services performed on the appropriate Maintenance Book in your Manual gives you a valuable, permanent "Log Book" of the services performed during the period of your ownership.

the Ford registered Ownership Card how to use it . . . how to replace it

The Ford Registered Ownership Card is for your use whenever you visit your Ford dealer. It helps to identify you and supplies valuable information to the dealership with reference to the model, engine and options of your Ford. The Ownership Card is particularly valuable in expediting your dealer's diagnosis and write-up operations, thereby minimizing your time in the Service Department. In addition, it can expedite and simplify handling of any warranty problems which may arise.

Should you lose your Ownership Card or change your address, you can obtain a new card either by requesting one through your Ford dealer, or by writing Ford Division, Ford Motor Company, P.O. Box 428, Dearborn, Michigan. When writing personally, explain the reason for needing a new card and indicate any corrections to be made on the card (such as a new address). In addition, be sure to include the vehicle code number of your car, which can be found on the warranty plate located on the rear face of the left front door inner panel.

If you purchase a used 1964 Ford within the warranty period, notify the Ford Division and an Ownership Card will be mailed to you upon receipt of your request as outlined above.
