## Jesus Saves Darcey Steinke:

*Jesus Saves* Darcey Steinke, 1999-01-13 Set in the strip malls and duplexes on the back side of suburbia the story of two girls follows the adventures Ginger a troubled minister's daughter and Sandy Patrick who has been abducted from summer camp Reprint NYT LJ K      *Milk* Darcey Steinke, 2007-04-03 Mary a new mother is devoted to her child but feels abandoned by her husband a grief she shares with her old friend Walter a gay priest wrestling with his own demons and John a monk who has left the monastery in search of more earthly experiences      **Easter Everywhere** Darcey Steinke, 2008-03-18 Easter Everywhere is a rare literary accomplishment a beautifully crafted riveting personal story with a huge emotional impact as Steinke chronicles her struggles with a childhood religion and her slow process toward a living faith      Sister Golden Hair: A Novel Darcey Steinke, 2014-10-14 It's the summer of 1972 and girlhood has never been more fraught but Darcey Steinke captures all of it with an intimate startling grace When Jesse's family moves to Roanoke Virginia in the summer of 1972 she's twelve years old and already mindful of the schism between innocence and femininity the gap between childhood and the world of adults Her father a former pastor cycles through spiritual disciplines as quickly as he cycles through jobs Her mother is chronically dissatisfied glumly fetishizing the Kennedys and anyone else who symbolizes status and wealth The residents of the Bent Tree housing development may not seem like beacons of the secret knowledge that Jesse is looking for but they're all she's got Her neighbor tans on the front lawn and tells tales of her married lover her classmate playacts being a Bunny at Hugh Hefner's Playboy Club the boy she's interested in fantasizes about moving to Hollywood and befriending David Soul In the midst of her half understanding Jesse finds space to set up her room with her secret treasures a Venus Flytrap her Cher 45s and The Big Book of Burial Rites But outside await new sexual mores muddled social customs and confused spirituality It's a terrifying time in the shadow of Manson and the hangover from the idealistic sixties when alienation overtakes liberation Girlhood has never been more fraught than in Jesse's telling its expectations threatening to turn at any point into delicious risk or real danger Darcey Steinke captures all of this with an intimate startling grace      Suicide Blonde Darcey Steinke, 2019-01-03 Jesse is a twenty nine year old adrift in San Francisco's demi monde of sexually ambiguous drug taking outsiders desperately trying to sustain a connection with her bisexual boyfriend She becomes caretaker and confidante to Madame Pig a grotesque besotted recluse Jesse also meets Madison Pig's daughter or lover or both who uses others' desires for her own purposes and who leads Jesse into a world beyond all boundaries As startling original and vital as it was when first published *Suicide Blonde* is an intensely erotic story of one young woman's sexual and psychological odyssey and a modern cult classic      *The Gospel According to John*, 1999 The publication of the King James version of the Bible translated between 1603 and 1611 coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English language literature in history Now world class literary writers introduce the book of the King James Bible in a series of beautifully designed small format volumes The

introducers passionate provocative and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance Drastic

*Bomb*, 1999 **Bitch**, 2007 *Riding with the Ghost* Justin Taylor, 2020-07-21 An unflinching memoir from a writer reckoning with his relationship with his troubled father and the complicated legacy that each generation hands down to the next Justin Taylor's relentless peripatetic and tender search for reconciliation with his late troubled father blooms into a full throated song of joy about his own life lived through music teaching travel and literature Lauren Groff author of *Florida* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS When Justin Taylor was thirty his father Larry drove to the top of the Nashville airport parking garage to take his own life Thanks to the intervention of family members he was not successful but the incident forever transformed how Taylor thinks of his father and how he thinks of himself as a son

Moving back and forth in time from that day Riding with the Ghost captures the past's power to shape, strengthen and distort our visions of ourselves and one another. We see Larry as the middle child in a chilly Long Island family as a beloved Little League coach who listens to kids with patience and curiosity as an unemployed father struggling to keep his marriage together while battling long term illness and depression. At the same time Taylor explores how the work of confronting a family member's story forces a reckoning with your own. We see Taylor as a teacher modeling himself after his dad's best qualities as a caregiver attempting to provide his father with emotional and financial support but not always succeeding as a new husband with a dawning awareness of his own depressive tendencies. With raw intimacy *Riding with the Ghost* lays bare the joys and burdens of loving a troubled family member. It's a memoir about fathers and sons, teachers and students, faith and illness and the pieces of our loved ones that we carry with us always. *The Cambridge Companion to the Bible and Literature* Calum Carmichael, 2020-03-26 Examines the varied enormously sophisticated contents of the Bible and sees how certain Western authors were inspired by them. *New York Magazine*, 1997-11-24 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. **SPIN**, 1998-06 From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews and a discerning critical ear.
