Q A for The Geronimo Breach w bestselling author Russell Blake Question The Geronimo Breach is a radical departure from your usual thrillers In this we follow the tribulations of arguably the most horrible

protagonist on the planet Why write this character this story this way RB It started off as a knee jerk reaction to several books I d read where the heroes were well bland predictable So over a few beers I thought what about writing a hero who s so despicable there s no way anyone could like him but by the end of the book in spite of him or ourselves we do Anyone can write a hero with appeal How about one who has no appeal and will actually do the worst possible thing for his situation every time A slob who s so low he s compulsively losing even when he could win Out of that came Al who is probably the most remarkable character I ve ever written Can he prevail Can he be redeemed Is he even worth redeeming Al s my favorite character out of all my books by far No question Q The Geronimo Breach s conspiracy is a shocker calls into question some sacred beliefs Have you gotten any negative feedback about it RB Other than the circling black helicopters you mean Seriously I just took something that seemed absurd to me proposed an alternative possibility If it rings true that says a lot for my powers of invention Will we ever know the truth Who even knows what the truth is anymore The truth is evasive and in my opinion skepticism too lacking Q The Geronimo Breach has drawn acclaim from other authors as being landmark defining What s your take on it RB Geronimo is one of the books I d recommend to readers who ve never read one of my books along with King of Swords and JET If they want to know how I differ from the monosyllabic guys cranking out formulaic screeds featuring hackneyed characters in predictable situations my response would be read Geronimo or King or JET I m particularly proud of the characters the plot twists and turns would argue there s no other books quite like them Q Why do readers respond the way they do to Al RB I think it s refreshing to read a protagonist who s so badly flawed We see in him bits of ourselves or people we know that resonates as being true Al is remarkable in that even after I finished with him he lingers in my psyche like fungus Hard to shake him
