These children may not achieve their full potential in the whole class shared section of the literacy lesson because of the complexity of the shared texts involved. English for Lower Attainers aims to provide texts related to the range section for the appropriate year of the National Literacy Strategy Framework texts with a reading ability level two years below chronological age tasks which support reading and provide a bridge into writing practice in essential word and sentence skills in the context of a complete text clear and supportive notes for teachers or assistants **Playscript**, 1973 *Excel Basic Skills Homework Book* Tanya Dalgleish, 1997 Suited for children in Year 2 aged 7-8 years old this book builds basic skills in reading comprehension and maths. Libraries, 1986-07-16 Product information not available *Little Red Riding Hood* Ron Fink, John Heath, 1995 WHAT IT IS This and hilarious fun musical play helps you teach the standards while bringing your classroom to life. Easy to do play comes with script audio CD and teacher's guide. NO music or drama experience is required you don't have to sing or play a note. Go big and perform on stage keep it simple with a classroom performance or simply do reader's theater in class. No fancy sets costumes or performance spaces are needed so it's all up to you. Flexible casting for 8-40 students and permission to edit the script and songs make it easy to tailor the play to the needs of your class and community. Your purchase of one copy per teacher includes permission to photocopy the script for students. WHAT IT TEACHES This fractured retelling of Little Red Riding Hood is a wonderfully silly way to mix up a classic. The Wolf needs some ketchup. Granny is a math whiz and Little Red learns how to do the Acorn Dance with an odd band of Squirrels. It makes an excellent language arts and common core tool. Students can compare it to other versions of the famous tale discuss character motivations and much more. 25 minutes grades 2-6 WHAT IT DOES Little Red Riding Hood is a great complement to your curriculum resources in language arts. And like all Bad Wolf Press plays this show can be used to improve reading comprehension vocabulary performance and speaking skills class camaraderie and teamwork and school engagement and parental involvement all while enabling students to be part of a truly fun and creative experience they will never forget.
