Kids Wearing Plastic Clothes:

Parenting Beyond Pink & Blue Christia Spears Brown, 2014-04-08 A guide that helps parents focus on their children's unique strengths and inclinations rather than on gendered stereotypes to more effectively bring out the best in their individual children for parents of infants to middle schoolers Reliance on Gendered Stereotypes Negatively Impacts Kids Studies on gender and child development show that on average parents talk less to baby boys and are less likely to use numbers when speaking to little girls Without meaning to we constantly color code children segregating them by gender based on their presumed interests Our social dependence on these norms has far reaching effects such as leading girls to dislike math or increasing aggression in boys In this practical guide developmental psychologist and mother of two Christia Spears Brown uses science based research to show how over dependence on gender can limit kids making it harder for them to develop into unique individuals With a humorous fresh and accessible perspective *Parenting Beyond Pink Blue* addresses all the issues that contemporary parents should consider from gender segregated birthday parties and schools to sports sexualization and emotional intelligence This guide empowers parents to help kids break out of pink and blue boxes to become their authentic selves

When a Flower Is Reborn Rosa Isolde Reuque Paillalef, 2002-08-06 Testimonial text by a Mapuche woman with commentary and other ethnographic interventions by a U S historian

Life is Hard Roger N. Lancaster, 1994-08-30 Rambo took the barrios by storm Spanish videotapes of the movie were widely available and nearly all the boys and young men had seen it usually on the VCRs of their family's more affluent friends As one young Sandinista commented Rambo is like the Nicaraguan soldier He's a superman And if the United States invades we'll cut the marines down like Rambo did And then he mimicked Rambo's famous war howl and mimed his arc of machine gun fire We both laughed from the book There is a Nicaragua that Americans have rarely seen or heard about a nation of jarring political paradoxes and staggering social and cultural flux In this Nicaragua the culture of machismo still governs most relationships insidious racism belies official declarations of ethnic harmony sexual relationships between men differ starkly from American conceptions of homosexuality and fascination with all things American is rampant Roger Lancaster reveals the enduring character of Nicaraguan society as he records the experiences of three families and their community through times of war hyperinflation dire shortages and political turmoil Life is hard for the inhabitants of working class barrios like Do a Flora who expects little from men and who has reared her four children with the help of a constant female companion and life is hard for Miguel undersized and vulnerable stigmatized as a cochón a faggot until he learned to fight back against his brutalizers Through candid discussions with young and old Nicaraguans men and women Lancaster constructs an account of the successes and failures of the 1979 Sandinista Revolution documenting the effects of war and embargo on the cultural and economic fabric of Nicaraguan society He tracks the break up of families surveys informal networks that allow female headed households to survive explores the gradual transformation of the culture of machismo and reveals a world where heroic

efforts have been stymied and the best hopes deferred This vast chronicle is sustained by a rich theoretical interpretation of the meanings of ideology power and the family in a revolutionary setting Played out against a backdrop of political travail and social dislocation this work is a story of survival and resistance but also of humor and happiness Roger Lancaster shows us that life is hard but then too life goes on
