Michael Kimmel Book:

Angry White Men Michael Kimmel, 2013-11-05 We can't come off as a bunch of angry white men Robert Bennett chairman of the Ohio Republican Party One of the enduring legacies of the 2012 Presidential campaign was the demise of the white American male voter as a dominant force in the political landscape On election night after Obama was announced the winner a distressed Bill O'Reilly lamented that he didn't live in a traditional America anymore He was joined by others who bellowed their grief on the talk radio airwaves the traditional redoubt of angry white men Why were they so angry Sociologist Michael Kimmel one of the leading writers on men and masculinity in the world today has spent hundreds of hours in the company of America's angry white men from white supremacists to men's rights activists to young students in pursuit of an answer **Angry White Men** presents a comprehensive diagnosis of their fears anxieties and rage Kimmel locates this increase in anger in the seismic economic social and political shifts that have so transformed the American landscape Downward mobility increased racial and gender equality and a tenacious clinging to an anachronistic ideology of masculinity has left many men feeling betrayed and bewildered Raised to expect unparalleled social and economic privilege white men are suffering today from what Kimmel calls aggrieved entitlement a sense that those benefits that white men believed were their due have been snatched away from them **Angry White Men** discusses among others the sons of small town America scarred by underemployment and wage stagnation When America's white men feel they've lived their lives the right way worked hard and stayed out of trouble and still do not get economic rewards then they have to blame somebody else Even more terrifying is the phenomenon of angry young boys School shootings in the United States are not just the work of misguided youth or troubled teens they're all committed by boys These alienated young men are transformed into mass murderers by a sense that using violence against others is their right The future of America is more inclusive and diverse The choice for angry white men is not whether or not they can stem the tide of history they cannot Their choice is whether or not they will be dragged kicking and screaming into that inevitable future or whether they will walk openly and honorably far happier and healthier incidentally alongside those they've spent so long trying to exclude Guyland Michael Kimmel, 2018-07-24 Sociologist Michael Kimmel tackles the world of late adolescent boys and young men the guys of America aged 16 to 26 Although these young men may appear to be growing up too fast they are in fact becoming adults quite slowly From the mundane video games movies and television sports and music to the extreme violent fraternity initiations sexual predation and school shootings Kimmel reveals the culture that every boy must navigate on his way to adulthood whether he is a participant or a bystander Kimmel asserts that what happens to boys in this period often determines the type of men they will be for the rest of their lives **The History of Men** Michael S. Kimmel, 2012-02-01 In this collection one of the world's leading scholars in the field of masculinity studies explores the historical construction of American and British masculinities Tracing the emergence of American and British masculinities the forms they have taken and their development over time

Michael S Kimmel analyzes the various ways that the ideology of masculinity the cultural meaning of manhood has been shaped by the course of historical events and in turn how ideas about masculinity have also served to shape those historical events He also considers newly emerging voices of previously marginalized groups such as women the working class people of color gay men and lesbians to explore the marginalized and de centered notions of masculinity and the political processes and dynamics that have enabled this marginalization to occur The Gendered Society Michael S. Kimmel,2000 They say that we come from different planets men from Mars women from Venus that we have different brain chemistries and hormones and that we listen speak and even define our morals differently How is it then that men and women live together take the same classes in school eat the same food read the same books and receive grades according to the same criteria In The Gendered Society Michael S Kimmel examines our basic beliefs about gender arguing that men and women are more alike than we have ever imagined Kimmel begins his discussion by observing that all cultures share the notion that men and women are different and that the logical extension of this assumption is that gender differences cause the obvious inequalities between the sexes In fact he asserts that the reverse is true gender inequality causes the differences between men and women Gender is not simply a quality inherent in each individual it is deeply embedded in society s fundamental institutions the family school and the workplace The issues surrounding gender are complex and in order to clarify them the author has included a review of the existing literature in related disciplines such as biology anthropology psychology and sociology Finally with an eye towards the future Kimmel offers readers a glimpse at gender relations in the next millennium Well written well reasoned and authoritative The Gendered Society provides a thorough overview of the current thinking about gender while persuasively arguing that it is time to reevaluate what we thought we knew about men and women

Manhood in America Michael S. Kimmel,2006 Publisher Description Misframing Men Michael Kimmel,2010-05-20 This past decade has witnessed an extraordinary transformation in men s lives For years wave after wave of the women s movement a movement that reshaped every aspect of American life produced nary a ripple among men But suddenly men are in the spotlight Yet the public discussions often seem strained silly and sometimes flat out wrong The spotlight itself seems to obscure as much as it illuminates Old tired clichTs about men s resistance to romantic commitment or reluctance to be led to the marriage altar seem perennially recyclable in advice books and on TV talk shows but these days the laughter feels more forced the defensiveness more pronounced Pop biologists avoid careful confrontation with serious scientific research in their quest to find anatomical or evolutionary bases for promiscuity or porn addiction hoping that by fiat one can pronounce that boys will be boys and render it more than a flaccid tautology And political pundits wring their hands about the feminization of American manhood as if gender equality has neutered these formerly proud studs Misframing Men a collection of Michael Kimmel s commentaries on contemporary debates about masculinity argues that the media have largely misframed this debate Kimmel among the world s best known scholars in gender studies discusses political moments such as the Virginia

Military Institute and Citadel cases that reached the Supreme Court he participated as expert witness for the Justice Department along with Promise Keepers rallies mythopoetic gatherings and white supremacists He takes on antifeminists as the real male bashers questions the unsubstantiated assertions that men suffer from domestic violence to the same degree as women and examines the claims made by those who want to rescue boys from the misandrous reforms initiated by feminism In writings both solidly grounded and forcefully argued Kimmel pushes the boundaries of today's modern conversation about men and masculinity

Reviewing Masculinities Michael Kimmel, 2025-09-09 As a subfield within Gender Studies Masculinity Studies has identified and interrogated ideas about masculinity and the lives of different groups of men since the late 1970s From its earliest incarnation within the Social Psychology of Sex Roles to its present subfields in history sociology anthropology as well as psychology the study of masculinity is now replete with conferences book series at least four encyclopedias handbooks as well as several scholarly journals Michael Kimmel has been a central figure in the founding and development of Masculinity Studies Kimmel was the editor of one of the field's first interdisciplinary anthologies *Changing Men* New Directions in the Study of Masculinity Sage 1987 followed by co-editing the first college level textbook anthology *Men's Lives* 10 editions Pearson the Sage Series on Men and Masculinities 10 volumes Sage which culminated in the *Handbook on Studies of Men and Masculinities* Since 1980 Kimmel has also been a prolific book reviewer of books in the field as it developed with more than 60 reviews of books about men and masculinities Over the course of nearly five decades these reviews trace the development of the field itself from the early identification of men as a category of analysis and a subject worthy of inquiry to discussions of different groups of men the idea of multiple masculinities organized by race class religion age sexuality to men in different situations institutions and circumstances This unique collection brought together for the first time charts the development of the field of Masculinity Studies since its inception as a concept It is a vital addition to any scholarly library which supports research and study of sociology social history culture and gender studies

The Guy's Guide to Feminism Michael Kaufman, Michael Kimmel, 2011-10-25 Alphabetically arranged entries humorously discuss nearly one hundred topics related to the equal status of women and celebrate the changes that are making the lives of women girls and men richer fuller happier and safer

Men's Lives Michael S. Kimmel, Michael A. Messner, 2010 Edited by two of the field's most prominent researchers this best selling reader on men and masculinity contains the most current articles available Organized around themes that define masculinity this reader takes a life course perspective using the idea that men as well as women are gendered and that this gendering process is a central experience for men

Men & Masculinities Michael S. Kimmel, Amy B. Aronson, 2003-12-11 The first encyclopedia to analyze summarize and explain the complexities of men's lives and the idea of modern manhood The process of making masculinity visible has been going on for over two decades and has produced a prodigious and interesting body of work But until now the subject has had no authoritative reference source *Men Masculinities* a pioneering two volume work corrects the oversight by summarizing the

latest historical biological cross cultural psychological and sociological research on the subject It also looks at literature art and music from a gender perspective The contributors are experts in their specialties and their work is directed organized and coedited by one of the premier scholars in the field Michael Kimmel The coverage brings together for the first time considerable knowledge of men and manhood focusing on such areas as sexual violence intimacy pornography homophobia sports profeminist men rituals sexism and many other important subjects Clearly this unique reference is a valuable guide to students teachers writers policymakers journalists and others who seek a fuller understanding of gender in the United States

The Politics of Manhood Michael Kimmel, 1995-11-28 These essays by profeminist men critique the surface ideals and underlying messages promoted by the men's movement Is it a backlash against feminism or does it respond to men's real needs independent of feminism What does the movement say about the appropriate models of masculinity While the movement may be more than a bunch of white middle aged men in war paint chanting and grunting in the forest the profeminist men writing here express their explicit concern with both the surface ideals and the underlying messages promoted by the movement Essays by several of the leaders of the mythopoetic men's movement including Robert Bly respond to the profeminist criticisms opening a provocative dialogue among men about the politics of the contemporary men's movement the crisis of masculinity and where to go from here Author note Spokesperson for the National Organization for Men Against Sexism Michael S Kimmel is Professor of Sociology at the State University of New York Stony Brook and editor of masculinities a scholarly journal His books include Men's Lives Men Confront Pornography and Manhood in America A History

Debating Masculinity Josep M. Armengol, Angels Carabí, 2009 Combining a multiplicity of disciplinary and critical approaches this book explores masculinity studies in highly innovative and provocative ways analyzing the relationship between masculinity and such pressing questions as violence fatherhood feminism men's movements identity politics intimacy and friendship and homophobia

[Handbook of Studies on Men and Masculinities](#) Michael S. Kimmel, Jeff Hearn, Robert W. Connell, 2004-07-20 In the past research in the field of gender has mainly addressed issues about women and has for the most part been developed by women Recently the study of gender has rapidly expanded and there has been a growing interest in men's and boys identities conduct and problems The Handbook of Studies on Men and Masculinities is an interdisciplinary and international culmination of the growth of men's studies that also offers insight about future directions for the field The Handbook provides a broad view of masculinities primarily across the social sciences with the inclusion of important debates in some areas of the humanities and natural sciences The various approaches presented in this Handbook range across different disciplines theoretical perspectives methodologies and conceptualizations in relation to the topic of men Editors Michael S Kimmel Jeff Hearn and Robert W Connell have assembled an esteemed group of contributors who are among the best known experts in their particular fields The Handbook of Studies on Men and Masculinities examines the construction of masculinities in four different frames the social organization of masculinities in their global and regional

iterations the institutional reproduction and articulation of masculinities the ways in which masculinities are organized and practiced within a context of gender relations and the ways in which individual men express and understand their gendered identities The Handbook is organized in a way that moves from the larger global and institutional articulations of masculinities to the more intimate and personal expressions The Handbook of Studies on Men and Masculinities provides scholars researchers and students with the most current incisive scholarship available for the men s studies area of gender studies It is a vital resource for those interested in the practical or cultural issues about men boys and gender as well as an excellent addition to any academic library Privilege Michael S. Kimmel, Abby L. Ferber, 2003-02-07 Essays which bring the reader inside the experiences of privilege in America and explore the intersection of social systems in people s lives

Kimmel, 2018 Privilege is about more than being white

wealthy and male as Michael Kimmel Abby Ferber and a range of contributors make clear in this timely anthology In an era when diversity is too often shorthand for of color and or female the personal and analytical essays in this collection explore the multifaceted nature of social location and consider how gender class race sexual orientation disability and religion interact to create nuanced layers of privilege and oppression The individual essays taken together guide students to a deep understanding of the dynamics of diversity and stratification advantage and power The fourth edition features thirteen new essays that help students understand the intersectional nature of privilege and oppression and has new introductory essays to contextualize the readings These enhancements plus the updated pedagogical features of discussion questions and activities at the end of each section encourage students to examine their own beliefs practices and social location Provided by publisher *The Gendered Society Reader* Michael S. Kimmel, Amy Aronson, 2017 In *The Gendered Society Reader* Sixth Edition coeditors Michael Kimmel and Amy Aronson pull together an array of dynamic voices both male and female classic and contemporary to examine various interpretations of gender These lively in depth readings explore gender discourse over a wide range of disciplines focusing primarily on two central issues difference and domination Carefully balanced to reflect the diversity of its subject this text addresses provocative and fundamental questions including How are males and females different What do these differences mean How to various cultures and religions interpret gender Why do societies continue to differentiate people on the basis of gender Why is it that almost every known society is based on male domination

Thoroughly updated with rich and timely material the sixth edition is the perfect complement to Michael Kimmel's textbook *The Gendered Society* Sixth Edition OUP 2016 **Angry White Men** Michael S. Kimmel, 2013 Michael Kimmel has spent hundreds of hours in the company of angry white American men from white supremacists to men's rights activists to young students to try to determine why they are so angry Kimmel proposes a theory of aggrieved entitlement a sense that the benefits to which white men long believed themselves entitled have been snatched from them Kimmel locates the increase in anger with a growing social political and economic gender gap twinned with an ideology of masculinity that makes America's white men feel empty and alone
