The Paper Solution Lisa Woodruff,2020-08-04 From the Marie Kondo of paper comes a simple and accessible guide to paper management Americans are drowning in paper We keep stacks of it on the kitchen counter stash it in drawers and store file cabinets full of documents that we never even look at Studies show that fully 85 percent of the paper in our lives can be tossed but which 85 percent And how do we organize and manage the 15 percent that remains With *The Paper Solution* founder of Organize365

Lisa Woodruff delivers a proven step by step guide for what to shred what to save and how to sort what's left behind With her method you'll learn What documents you must absolutely hold on to Which papers you can dispose of today How to ditch your bulky filing cabinets and make your vital documents accessible and portable And at the heart of it all is the Sunday Basket a box that sits on your counter and corrals those stray bills forms coupons and scraps into an easy to use paper management system The Sunday Basket will become your new weekly habit one that leads to less paper less stress and more time to spend on the things and people that matter most

Tame Your Gmail in 5 Easy Steps with David Allen's GTD Dominic Wolff, 2014-04-09 Do you feel like you're always behind the 8 ball Do you get to the end of your day but feel like you accomplished nothing Do you have a tendency to put things off until the last minute We all tend to delay things from time to time and some days we're just swamped with work when there's so many things to be done Even the most organized people will struggle with time management at one point or another Dominic Wolff addresses these problems and more in his latest book Tame Your Gmail in 5 Easy Steps with David Allen's GTD This book will show you how to manage your time better and actually get things done Wolff an author and advocate of productivity tools has written several books about using the famous Getting Things Done the time management system developed by David Allen in combination with different software applications first with Evernote and now Google's Gmail Tasks Calendar and Drive Yes the power of GTD and all these Google services are combined in a single book Let's say you have a thousand things going on at work You can simplify this by putting incoming pending tasks into different inboxes Doing so will allow you to execute all work as bite size chunks and you'll know exactly what to do anywhere anytime That's basically what Getting Things Done is Tame Your Gmail in 5 Easy Steps with David Allen's GTD applies GTD's principles and shows you how to use Gmail Google Tasks Google Calendar and Google Drive the GTD way so that Your emails will be organized into a clear cut system Your appointments will be organized so that you'll never miss any event You'll remember anything and everything You can see what needs to be done wherever you are whether you're on your computer or are out and about You can get more things done The best part is that you can achieve the GTD mindset with Google's services in just five simple steps

Master Google Keep Priya Chandra, 2016-11-17 Are you sick of carefully writing down your full shopping list and then forgetting to take it to the store Do you wish you could save website links to read them later rather than keeping multiple tabs open at a time Maybe you find it easier to doodle or hand write notes and reminders rather than type them Do you like the idea of capturing a thought at work viewing it in your phone and then editing it at home on your desktop Have you ever wished you could instantly see information about certain projects or events grouped together based simply on a keyword Do you often get ideas whilst driving that you wish you could save but can't because texting whilst driving is dangerous Is your computer screen desk kitchen bench covered in sticky notes reminding you to do x y and z If any of the above scenarios describe you then this book is for you Google Keep is a deceptively simple note taking application that can improve your productivity in both your personal and your professional life

and this book walks you through exactly how to use it
