Sherman

Jerry Ellis

Marching Through Georgia My Walk With Sherman

Edward Caudill, Paul Ashdown

Marching Through Georgia My Walk With Sherman:

Marching Through Georgia Jerry Ellis,2002-09-01 In 1864 William Tecumseh Sherman made Civil War history with his infamous March to the Sea across Georgia More than a century later Jerry Ellis set out along the same route in search of the past and his southern and Cherokee heritage On Ellis s trek by foot from Atlanta to Savannah he confronts the contradictions and complexities of his native region as he reflects on his own From Macon s fabled Goat Man to Arthur Cowboy Brown the Savannah street musician we meet a vibrant unregimented people all of whom like Ellis are looking for their place with one eye on the past and one on the present Marching Through Georgia ,1865 **Sherman's March in Myth and Memory**

Edward Caudill,Paul Ashdown,2009-09-16 General William Tecumseh Sherman s devastating March to the Sea in 1864 burned a swath through the cities and countryside of Georgia and into the history of the American Civil War As they moved from Atlanta to Savannah destroying homes buildings and crops killing livestock and consuming supplies Sherman and the Union army ignited not only southern property but also imaginations in both the North and the South By the time of the general s death in 1891 when one said The March no explanation was required That remains true today Legends and myths about Sherman began forming during the March itself and took more definitive shape in the industrial age in the late nineteenth century Sherman s March in Myth and Memory examines the emergence of various myths surrounding one of the most enduring campaigns in the annals of military history Edward Caudill and Paul Ashdown provide a brief overview of Sherman s life and his March but their focus is on how these myths came about such as one description of a 60 mile wide path of destruction and how legends about Sherman and his campaign have served a variety of interests Caudill and Ashdown argue that these myths have been employed by groups as disparate as those endorsing the Old South aristocracy and its Lost Cause and by others who saw the March as evidence of the superiority of industrialism in modern America over a retreating agrarianism Sherman s March in Myth and Memory looks at the general s treatment in the press among historians on stage and screen and in literature from the time of the March to the present day The authors show us the many ways in which Sherman has been portrayed in the media and popular culture and how his devastating March has been stamped into our collective memory Marching Through Georgia Jerry Ellis,1996-10 Sherman s March from Atlanta to Savannah in 1864 brought the Confederacy to its knees Ellis explores the route 130 years later to search for the living breathing artifacts of the nation s most bitter war and finds living memories of the Great Lost Cause co existing with modern American culture

A Passion for the Past James A. Percoco,1998 James Percoco demonstrates how using applied history you can bring to life the people places and events of our nation s history inspiring in your students a passion for the past Downing's Civil War Diary Alexander G. Downing,1916 **The News-letter of the Society for the Study of Southern Literature** Society for the Study of Southern Literature,1995 Potter's American Monthly ,1879 Harper's Young People ,1898 Harper's Round Table ,1897 **Wit, Wisdom, and Foibles of the Great** ,1918 The Churchman ,1920 **Digest; Review of**
