Jss3 3rd Term Scheme Of Work Civic Education:

JSS Civic Education Ibiyemi Oyeneye, Michael Onyenwenu, Robert Akaniro, 2014-03-07 Civic Education for Junior Secondary Schools is an exceptional course in Civic Education for Junior Secondary School Students. The course has been written in full compliance with the Basic Education curriculum provided by the Nigerian Educational Research and Development Council and should fully equip the students for the Junior Secondary School Examination. Every book in the course has been written in simple language to make it easy for the JS Students to understand. Each topic in every book has been fully developed with examples the students can easily grasp and identify with. Very clear apt pictures have also been used to illustrate the lessons in the books. The authors are highly experienced teachers and WAEC/NECO examiners who have also authored several highly successful Secondary School textbooks.

Becoming Active Citizens Tom Driscoll, Shawn W. McClusker, 2022-05-24 Reimagine civic education. This innovative resource provides practical strategies and technological resources for creating authentic, engaging learning experiences that empower students to participate in civic discourse and action. It examines the current reality of civic education in the United States and other democracies, identifies why change is necessary, and guides readers on how to spark interest and build skills for participating in a democratic society.

K-12 educators and leaders will:

- Learn how to transform civic education to prepare students to become active and engaged citizens.
- Discover how to weave civic instruction across the curriculum to create authentic interdisciplinary projects.
- Explore games and other activities that enhance student engagement and understanding of civics.
- Receive lesson examples of effective civic instruction for various grade levels and subject areas.
- Understand how to create opportunities for teaching democratic values through productive civil discourse.
