Marathon A Manual For Bivocational Ministry:

Marathon Doug Black, 2014-12-17 Bivocational pastors and ministers are the distance runners of ministry. They work long hours in multiple areas. They lead teams. They work ministry at work and work in the ministry all while balancing families. Marathon is a toolbox for those entering or maintaining in bivocational ministry. These are tools to ensure you can enter the work force, maintain and grow your ministry, and stay physically and emotionally healthy in the process. Bivocational Mark D. W. Edington, 2018-04-15 Bivocational: Returning to the Roots of Ministry offers one answer to the pressing question of the future of congregational life in the mainline Protestant Church. The contention of the book is that the model of professional ministry we have received from the past century of congregational life is imposing unsustainable costs on most congregations and parishes. In consequence, these faith communities face stark choices for which there are no self-evident answers. Shall we close? Shall we merge with another congregation, a decision shaped by a primary value on maintaining a full-time professional in the role of ordained minister? Can we find someone who will do the job part-time? What will it mean for them and for us? Bivocational explores the impact on the ministry on congregations and on denominational polities of encouraging a way forward, one in which bivocational ordained professionals/ministers working simultaneously in the church and in secular life come to leadership positions in the church. It explores the different sorts of gifts and preparation such ordained ministers need and how a bivocational ethos looks when it characterizes not only the ordained minister but all ministers of the congregation, lay and ordained alike. *The Art and Practice of Bivocational Ministry* Dennis W. Bickers, Todd Bickers, 2013 It's a balancing act. If you are a bivocational pastor, you are familiar with the stresses, complications, and unique hurdles that come with bivocational ministry. You have a special calling. In *The Art and Practice of Bivocational Ministry* Dennis Bickers provides solid advice to help you succeed in your ministry while juggling a full-time job and a family at home. Along with his seasoned insights, you will find true-to-life case studies of challenges bivocational ministers face daily. More than just a guide, this book is a mentor in print and an invaluable resource for anyone balancing part-time ministry with a full-time job.

Bi-vocational Ministry Alan R. Niquette, 1987 The Tentmaking Pastor Dennis W. Bickers, 2000-05-01 Real-world guide to the challenges, rewards, and advantages of bivocational ministry. Excellent for individuals and churches exploring pastoring options. **Bivocational Ministry** Kristen Plinke Bentley, 2024-11-01 As churches face shrinking resources, the model of ministers working at multiple jobs is re-emerging as relevant to the 21st century. Bivocational Ministry provides insights for congregations and pastors, women and men alike, about how to understand, adapt, and succeed in this model. One of the toughest places congregations can find themselves is where they cannot afford or do not need a pastor working exclusively for the church. It's a foundation-changing realization for congregations and pastors alike. Bivocational Ministry provides practical and theological wisdom for congregational leaders engaging in bivocational ministry more fully and intentionally. Bentley's research at Lexington Theological Seminary provides stories, examples, and insights gleaned from

interviews and surveys representing the diverse contexts of congregations and ministers from the research project The book includes female pastors and lay leaders as exemplars providing a more complete understanding of the blessings and challenges emerging in this model of ministry It includes study questions and honest stories about benefits and drawback successes and lessons learned Bivocational Ministry is ideal for small group discussions and individual reflection especially for congregations needing to transform successfully to a new model of leadership *Bivo* ,2013-10-01 **Bivocational**
