

# VC-25

Made by the leader in professional cinema sound, the Icon V Series VC-25 center channel affordably delivers all the detail, subtleties and dynamics required for the ultimate in music and movie listening.

The VC-25 employs two 5.25" fiber-composite woofer cones that are lightweight, yet powerful. Not only do these reliable low-frequency components create improved tonal balance and imaging, they also generate amazing dynamics and deep bass.

Even more remarkable is the VC-25's all-new, patent-pending Tractrix® Horn-loaded tweeter with XT technology. This exclusive design equalizes the speed of sound waves from the horn and smooths the dispersion pattern.

The center channel's sleek, black MDF cabinet has a stylish look that complements modern video and audio components. And, with the furniture-grade finish of the side caps, it will look great in any room.

- Patent-pending round XT Horn for improved directivity
- Aluminum dome tweeter for precise highs
- High-output woofer for amazing lows
- Magnetically shielded to avoid TV interference
- High-style, contemporary black cabinet fits any décor
- Fixed side grilles protect woofers
- Easy to drive with typical A/V receiver

## SPECIFICATIONS
