Gray, 2014-08-31 We mortals operate on wave lengths from the Universal the Trinity these are our life waves They are distributed one wave from each of the ruling suns Each of our waves is on a set length or frequency the blending of the three waves is the Power This sets the pattern of our individual frequency It is the source of our personality our identity and it is as distinct and individual as our own finger prints On the strength of our wave we similar to a planet operate by our magnetic field through the medium and receive the knowledge we need from the vast pool of wisdom It is given to us for our use impartially and unstintingly to the capacity of our desire and application The Universal Power has no restrictions for any man but recognition of the Power in operation and obedience unto it The intelligence in operation proves itself over and over again It gives inspiration to the mind We remain confused and drugged by many laws and are therefore not open to accept the wisdom from the Power of Powers To obtain knowledge we must seek it and then our vibrant field opens to the vast pool of wisdom
