

# Knowledge is power

6 pages | 1348 words

*"A man without knowledge is like an idol"* —Nidhi So knowledge is life and it gives power to human being which makes him different from the other living organism Knowledge according to Oxford dictionary is "Facts, information, and skills acquired through experience or education; the theoretical or practical understanding of a subject". "No thief, however skillful, can rob one of knowledge, and that is why knowledge is the best and safest treasure to acquire." L. Frank Baum. The Lost Princess of Oz, so the greatest treasure of life is knowledge. It is only by knowledge we can discern between right and wrong. If an animal kills a human being we say it's because it has no knowledge but if a human being kills a human being then he or she is punished as human being has the knowledge that he should not kill other human beings.

## Indian Legend about the Importance of Knowledge

Abhimanyu was the son of Arjuna and Subhadra. Subhadra was the sister of Sri Krishna. He use to tell her of the war techniques once when Abhimanyu was still in the womb. He was telling her of how to break the challenges of chakra-vyuha but she dozed off. While Subhadra dozed off, Abhimanyu continued to carefully follow Sri Krishna's narrative of the Chakra-vyuha. But, after talking for some time and not receiving any response from Subhadra, Sri Krishna realised that she was savouring a sweet nap. Sri Krishna, who had at that time come up to the seventh step of the Chakra-vyuha, gave up his narration and returned with Subhadra to the palace. The unfortunate Abhimanyu could never obtain the technique of breaking all the circles in the chakra-vyuha, but whatever he had heard Sri Krishna say, he carefully preserved in his memory. He grew up to be a brave, handsome young man. Many years later, during the Mahabharata war at Kurukshetra, the Kauravas set up a Chakra-vyuha and challenged the Pandavas to come forward and break it. However, only Arjuna knew the technique of doing so but he was fighting elsewhere. At that stage, to save the honour of the Pandavas, Abhimanyu came forward and offered his services for the task of breaking the chakra-vyuha. Despite his incomplete knowledge of the technique he entered the grid and overcame one circle after another until he came to the seventh one, the breaking of which he had no knowledge. Brave and ambitious he was but in vain as he had no knowledge. By this we can come to the conclusion that knowledge is power and half knowledge can be dangerous. We have to be careful in this world when we live as we read about Abhimanyu there are many people with this half knowledge and it can be very dangerous that even it can put our life in risk Mahatma Gandhi says of "Seven Deadly Sins and one among that is Knowledge without character". Man has to spend his life to acquire knowledge but it should be to save the world and not to destroy it as for example nuclear energy is good for man use but if...
