Evaluation of HSDPA and LTE Markus Rupp, Sebastian Caban, Christian Mehlführer, Martin Wrulich, 2011-12-12 This book explains how the performance of modern cellular wireless networks can be evaluated by measurements and simulations With the roll out of LTE high data throughput is promised to be available to cellular users In case you have ever wondered how high this throughput really is this book is the right read for you At first it presents results from experimental research and simulations of the physical layer of HSDPA WiMAX and LTE Next it explains in detail how measurements on such systems need to be performed in order to achieve reproducible and repeatable results The book further addresses how wireless links can be evaluated by means of standard compliant link level simulation The major challenge in this context is their complexity when investigating complete wireless cellular networks Consequently it is shown how system level simulators with a higher abstraction level can be designed such that their results still match link level simulations Exemplarily the book finally presents optimizations of wireless systems over several cells This book Explains how the performance of modern cellular wireless networks can be evaluated by measurements and simulations Discusses the concept of testbeds highlighting the challenges and expectations when building them Explains measurement techniques including the evaluation of the measurement quality by statistical inference techniques Presents throughput results for HSDPA WiMAX and LTE Demonstrates simulators at both link level and system level Provides system level and link level simulators for WiMAX and LTE on an accompanying website https://www.nt.tuwien.ac.at/downloads/featured_downloads This book is an insightful guide for researchers and engineers working in the field of mobile radio communication as well as network planning Advanced students studying related courses will also find the book interesting

General Jan Smuts And his First World War in Africa (1914-19-17) David Brock Katz, 2022-08-24 An engaging well written and meticulously researched military biography Tim Stapleton Professor Department of History University of Calgary Jan Smuts grabbed the opportunity to realise his ambition of a Greater South Africa when the First World War ushered in a final scramble for Africa He set his sights firmly northward upon the German colonies of South West Africa and East Africa Smuts's abilities as a general have been much denigrated by his contemporaries and later historians but he was no armchair soldier He first learned his soldier's craft under General Koos de la Rey and General Louis Botha during the South African War 1899-1902 He emerged from that conflict immersed in Boer manoeuvre doctrine After forming the Union Defence Force in 1912 Smuts played an integral part in the German South West African campaign in 1915 Placed in command of the Allied forces in East Africa in 1916 he led a mixed bag of South Africans and imperial troops against the legendary Paul von Lettow Vorbeck and his Schutztruppen His penchant for manoeuvre warfare and mounted infantry freed most of the vast German territory from Lettow Vorbeck's grip General Jan Smuts and his First World War in Africa provides a long overdue reassessment of Smuts's generalship and his role in furthering the
