From Darkness to Light Despo Pishiri,2021-08-16 During a client hypnosis session author Despo Pishiri unintentionally managed to communicate with her Higher Self The client was in a deep state of hypnosis and Despo s Higher Self used this opportunity to talk to her through her client The Higher Self provided valuable information about Despo s past lives which triggered her curiosity to understand the mechanisms involved in the process of spiritual development This initial channeling encouraged her to find her true self and it became the catalyst for writing this her first book From Darkness to Light With a blend of personal and professional testimony she reinforces the message of love compassion and tolerance inherent in the three religions of Hinduism Buddhism and Christianity against the backdrop of knowing who you are She stresses the similarities between the three religions and reinforces the ideas of their teachings Useful and enlightening From Darkness to Light shares Despo s personal discoveries as well as offers principles about self and healing your body mind and spirit

**the Dead in Medieval Jewish Thought** Susan Weissman,2020-07-23 Through a detailed analysis of ghost tales in the Ashkenazi pietistic work Sefer asidim Susan Weissman documents a major transformation in Jewish attitudes and practices regarding the dead and the afterlife that took place between the rabbinic period and medieval times She reveals that a huge influx of Germano Christian beliefs customs and fears relating to the dead and the afterlife seeped into medieval Ashkenazi society among both elite and popular groups In matters of sin penance and posthumous punishment the infiltration of Christian notions was so strong as to effect a radical departure in Pietist thinking from rabbinic thought and to spur outright contradiction of talmudic principles regarding the realm of the hereafter Although it is primarily a study of the culture of a medieval Jewish enclave this book demonstrates how seminal beliefs of medieval Christendom and monastic ideals could take root in a society with contrary religious values even in the realm of doctrinal belief **Dictionary of Anonymous and**
