## **Joy For Beginners Erica Bauermeister:**

Joy For Beginners Erica Bauermeister, 2011-06-09 From national bestselling author of Reese Witherspoon's Book Club pick The Scent Keeper comes a beautifully crafted novel about daring to experience true joy starting one small step at a time. Having survived a life-threatening illness, Kate celebrates by gathering with six close friends. At an intimate outdoor dinner on a warm September evening, the women challenge Kate to start her new lease on life by going white water rafting down the Grand Canyon with her daughter. But Kate is reluctant to take the risk. That is until her friend Marion proposes a pact: if Kate will face the rapids, each woman will do one thing in the next year that scares her. Kate agrees with one provision: she didn't get to choose her challenge, so she gets to choose theirs. Whether it's learning to let go of the past or getting a tattoo, each woman's story interweaves with the others, forming a seamless portrait of the power of female friendships. Joy for Beginners takes us on the emotional journeys of seven women seeking to transform their lives and proves that sometimes what we really need to inspire us to change is a good firm shove. Garth Stein, author of The Art of Racing in the Rain     The Scent

Keeper Erica Bauermeister, 2019-05-21 Erica Bauermeister, the national bestselling author of The School of Essential Ingredients, presents a moving and evocative coming-of-age novel about childhood, stories, families lost and found, and how a fragrance conjures memories capable of shaping the course of our lives. Emmeline lives an enchanted childhood on a remote island with her father, who teaches her about the natural world through her senses. What he won't explain are the mysterious scents stored in the drawers that line the walls of their cabin or the origin of the machine that creates them. As Emmeline grows, however, so too does her curiosity. Until one day the unforeseen happens and Emmeline is vaulted out into the real world, a place of love, betrayal, ambition, and revenge. To understand her past, Emmeline must unlock the clues to her identity, a quest that challenges the limits of her heart and imagination. Lyrical and immersive, The Scent Keeper explores the provocative beauty of scent, the way it can reveal hidden truths, lead us to the person we seek, and even help us find our way back home.     **No Two Persons** Erica Bauermeister, 2023-05-02 One book. Nine readers. Ten changed lives. New York Times bestselling author Erica Bauermeister's No Two Persons is a gloriously original celebration of fiction and the ways it deepens our lives. That was the beauty of books, wasn't it? They took you places you didn't know you needed to go. Alice has always wanted to be a writer. Her talent is innate, but her stories remain safe and detached until a devastating event breaks her heart open, and she creates a stunning debut novel. Her words, in turn, find their way to readers: from a teenager hiding her homelessness to a free diver pushing himself beyond endurance, an artist furious at the world around her, a bookseller in search of love, a widower rent by grief. Each one is drawn into Alice's novel; each one discovers something different that alters their perspective and presents new pathways forward for their lives. Together, their stories reveal how books can affect us in the most beautiful and unexpected of ways, and how we are all more closely connected to one another than we might think. With its beautiful parts that add up to a brilliant whole, No Two Persons made my reader's heart sing. Nina de Gramont, New

York Times bestselling author of *The Christie Affair*      **The Firelight Girls** Kaya McLaren, 2014-10-14 The past and present collide as five women work to save the summer camp of their youth in this heartwarming novel from Kaya McLaren *The Firelight Girls* The summers you spend at summer camp are indelibly etched on your heart But what happens when the camp you love is about to close Can you ever really say goodbye to the place that made you who you are These are the questions that plague Ethel the seventy year old former camp director who is nursing a broken heart after losing the love of her life as she now faces the impending closure of the camp on Lake Wenatchee that she called home It's also a question that inspires change in forty year old Shannon who spent the summers of her youth as a vibrant capable camp counselor and is now directionless after watching her career implode And there's Laura who has lost all intimacy with her husband and doesn't know if she can save what seems to be gone forever Finally Ruby who betrayed Ethel years ago and hasn't spoken to her since hopes this will be her chance to make amends When the four women learn that a homeless teen has been hiding at camp they realize camp is something much more immediate for all survival And so the three generations of women search for a way to save the place that saved them all finding in the process a way back to themselves and each other in *The Firelight Girls* Kaya McLaren's novel of love and loss heartbreak and healing      **Becoming Better Grownups** Brad
