Part 1: The Tender Process (including Ethical Practices)

10 marks

1. **Scenario Introduction:** A community lives on a major river's far bank. The river is wide and deep, preventing the people from reaching the city on the opposite side. This means that the people cannot take advantage of the work opportunities, the excellent medical and school facilities, and the wide range of shops available in the city.

2. **Investigation:** The community members discuss the problem and the need for a bridge. They decide to build a bridge to connect the two sides of the river.
