

## ENVIRONMENTAL COMPLIANCE STATEMENT:

It is the intention of Johnson Outdoors Marine Electronics, Inc. to be a responsible corporate citizen, operating in compliance with proper and applicable environmental regulations, and a good neighbor to the communities where we make or sell our products.

### WEEE Directive

The Directive 2002/96/EC "Waste of Electrical and Electronic Equipment Directive (WEEE)" impacts most distributors, sellers, and manufacturers of consumer electronics in the European Union. The WEEE Directive requires the producer of consumer electronics to take responsibility for the management of waste from their products to achieve environmentally responsible disposal during the product life cycle.

WEEE compliance may not be required in your location for electrical & electronic equipment (EEE), but may be required for EEE designed and intended as fixed or temporary installation in transportation vehicles such as automobiles, aircraft, and boats. In some European Union member states, these vehicles are considered outside of the scope of the Directive, and EEE for these applications can be considered excluded from the WEEE Directive requirements.

Your product (WEEE where not) or product indicates the product must not be disposed of with other household waste. It must be disposed of and collected for recycling and recovery of waste EEE. Johnson Outdoors Marine Electronics, Inc. will mark all EEE products in accordance with the WEEE Directive. It is our goal to comply in the collection, treatment, recovery, and management only record disposal of these products; however, these requirements may vary within European Union member states. For more information about where you should dispose of your waste equipment for recycling and recovery, within your European Union member state requirements, please contact your dealer or distributor from which your product was purchased.

### Disposal

Mini-Mate motors are not subject to the disposal regulations (EU/US) (see the service directive) that implements the WEEE directive. Nevertheless never dispose of your Mini-Mate motor in a garbage bin but at the proper place of collection of your local town/city.

Never dispose of battery in a garbage bin. Comply with the disposal directions of the manufacturer or the representative and dispose of them at the proper place of collection of your local town/city.

## DÉCLARATION DE CONFORMITÉ ENVIRONNEMENTALE :

Johnson Outdoors Marine Electronics, Inc. a l'intention d'être une entreprise responsable, fonctionnant en conformité avec les règlements environnementaux canadiens et applicables, et d'être un bon voisin dans les communautés où nous fabriquons ou vendons nos produits.

### Directive WEEE

La Directive 2002/96/EC de l'Union européenne traitant des déchets d'équipement électrique et électronique, soit "Waste of Electrical and Electronic Equipment Directive (WEEE)", affecte la plupart des distributeurs, vendeurs et fabricants de produits électroniques dans l'Union européenne. La directive WEEE demande que le fabricant de produits électroniques se charge de la gestion des déchets provenant de leurs produits afin de voir éliminés d'une manière responsable par rapport à l'environnement le cours de la vie de ces produits.

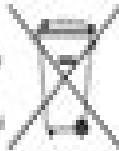

Respecter la directive WEEE peut ne pas être exigé en tout ou partie en ce qui concerne l'équipement électrique et électronique (EEE), comme ne pas être exigé pour l'équipement électrique et électronique conçu et destiné à des installations embarquées ou permanentes dans les véhicules de transport comme les automobiles, avions et bateaux. Dans quelques pays membres de l'Union européenne, les véhicules sont considérés comme en dehors des limites de la directive et l'équipement électrique et électronique pour ces applications peut être considéré exclus des exigences de la directive WEEE.

Le symbole (voir WEEE) sur un produit indique que le produit ne doit pas être jeté parmi les déchets domestiques. Il doit être mis au rebut et ramené pour le recyclage et la récupération de déchets d'équipement électrique et électronique. Johnson Outdoors Marine Electronics, Inc. marque tous l'équipement électrique et électronique selon la directive WEEE. Nous avons pour but de respecter le recyclage, le traitement, la récupération et la mise au rebut responsable par rapport à l'environnement de ces produits; néanmoins, ces exigences peuvent varier dans les pays membres de l'Union européenne. Pour plus de renseignements sur où vous rendre au sujet des déchets de votre équipement afin de les recycler ou les récupérer ainsi qu'aux exigences de votre pays membre de l'Union européenne, veuillez contacter le représentant ou distributeur de votre produit ou adresse le produit.

### Disposition

Mini-Mate les moteurs ne sont pas soumis aux règlements de disposition (EU/US) (la directive d'Europe des) qui implémente la directive WEEE. Néanmoins ne jamais jeter votre Mini-Mate le moteur dans une poubelle d'ordures, mais à l'endroit approprié de collection de votre conseil municipal local.

Ne jetez jamais vos piles de la batterie dans une poubelle d'ordures. Pour vous aux directives de disposition de fabricant ou de son représentant et distributeur vous devez à l'endroit approprié de collection de votre conseil municipal local.
