Guided Highlighted Reading Barbara A. Nelson, Elaine M. Weber, Cynthia Lynn Schofield, 2012 In Guided Highlighted Reading teachers of grades 4-12 learn an easy and effective text-based strategy that scaffolds all students to return to a complex or difficult text for four different reading purposes. This resource uses prompts not questions to build competency with difficult and complex text for four close reading purposes for any content area. Weber, Connie Dierking, Becky McTague, Kristin Lems, Nancy Witherell, Mary C. McMackin, 2017 Teaching English language arts at grades K-5 is both a science and an art. Educators must teach literacy skills and content with best practices while also keeping focus on each student's individual needs. They are challenged to monitor students working independently while also conducting small group instruction. And they must focus on providing differentiated support with a rather complicated text. With increased attention to rigor requirements and personalized instruction, it can be a challenge to make sure all students are receiving instruction that is just right. Comprehensive Literacy Basics: An Anthology by Capstone Professional contains useful tips to support educators. Chapters focus on each part of the literacy and language arts block, including whole group, small group, writing, and differentiation. A collection of expert authors specializing in literacy and language arts instruction contributed chapters to the book.
