Sapphire Ice (Christian Romance) Hallee Bridgeman, 2013-03-26 To Robin Bartlett men were nothing more than violent users After a hair raising childhood Robin and her two younger half sisters battled simply to survive Determined to give her sisters a very different life from that of their mother to never have to rely on a man for anything she worked two jobs and put them both through college while accepting help from no one Her heart had turned to ice and she had no use for men or God Antonio Tony Viscolli had grown up on the streets homeless At seventeen he entered a downtown church with the intent of casing it but found himself on his knees at the altar After being fostered by the youth minister Tony followed God s leading and eventually became a very successful and powerful businessman In a fallen world he was a gem When Tony bought the restaurant where Robin bartended she immediately resented his intrusion into her well ordered but exhausting life She suspected his offering her special attention and constant kindness was merely his way of expecting something from her in return something she wasn t willing to give Tony knew God had led him to Robin Would she ever allow herself to trust

him Could she ever allow herself to trust God Or would the winter of their tragic youth rise from the shadows of the past and freeze any chance at happiness
