Excerpt from Manual of Mining Based on the Course of Lectures on Mining Delivered at the School of Mines of the State of Colorado Based originally upon lectures delivered at the Colorado State School of Mines between 1880 and 1888 the various editions received only such additions and changes as were necessary in its use as a text book in the mining schools of this and other countries The Author of the Manual of Mining presents in this edition a complete revision of the work which now assumes the form of a collaboration with the authors mentioned below Mr E B Wilson who needs no introduction to the mining public brings to the original work a wide range of experience and ability an accuracy of detail and a discrimination in description contributing highly to the value of the revision He has devoted himself particularly to Chapter III of Part I and Chapters V VI VII and VIII of Part II Originally planned for Metal mining the first issue of the book gave small place to Coal and its extraction This new edition has of necessity been enlarged to include Coal mining in all its phases with full descriptions and many illustrations of modern methods and machinery The later devices in power generation and distribution as the steam turbines oil and compressed air engines with such appliances as have proven themselves meritorious in economy and safety are elaborately treated About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works     **A Manual of Mining** Magnus Colbjørn Ihlseng, 2015-08-31
